

Work Of Fate

The following clipping from The Philadelphia Inquirer of April 17, will be of interest to Perquimans County people from the fact that the little boy was the grandson of Mrs. Grover Talbot, Mrs. Talbot being the former Miss Bessie Riddick, of Hertford, the sister of Mrs. L. R. Crawford.

"Three-year-old David Southmayd, of Prospect Park, placed Easter flowers yesterday afternoon on the Philadelphia grave of his grandfather, State Senator Grover E. Talbot, who was killed in an auto accident two years ago.

One hour later the little boy was dead, victim of an auto accident. David was riding with his mother and father, Mr. and Mrs. Clarendon D. Southmayd, when at Chester Pike and Winona Avenue in Norwood, a red traffic light confronted them.

"The elder Southmayd brought the car to a stop—too suddenly—and David was hurled from the back seat where he sat with his mother, into the rear of the front seat.

"Frantic when the child fell unconscious to the floor, Southmayd sped toward Taylor Hospital in Ridley Park, but David died in his mother's arms."

Little David's mother, Mrs. Southmayd, was Elizabeth Talbot, who frequently visited here at the home of Mrs. Louis R. Crawford.

was found not guilty by a jury.

A jury returned a verdict in favor of the plaintiff in a contested divorce case tried on Wednesday morning. The principals in this case were T. O. Lamb and Hettie V. Lamb, Mrs. Lamb contesting the suit on the grounds that the plaintiff had not been a resident of the State for the required length of time before the institution of the suit.

A jury returned a verdict in favor of the plaintiff, Robert Hurdle, against Burt Willis in a suit wherein Mr. Hurdle sued for \$175 damages, tried on Wednesday. Mr. Willis, who lives in Chowan County, had been found guilty in Recorder's Court of reckless driving as a result of an accident occurring on the Perquimans River Bridge in December, when the horse driven by Mr. Hurdle and owned by him was injured by the defendant's truck. Mr. Hurdle sued for and was awarded the sum of \$175; the amount he allegedly paid for the horse. The horse died of spinal meningitis after the institution of suit for damages.

A mistrial was declared in the case of Minnie L. Felton vs J. R. Stokes and others, when Judge Thompson allowed the motion of plaintiff's counsel to amend the pleadings, which marked the end of jury trials late Wednesday afternoon.

Grand Jury Report

it in fair condition. We recommend that the plumbing in the jail be repaired and also the floor needs attention.

We have visited the Prison Farm and found it kept in a very good and sanitary condition.

We have visited the County Home and found it well kept. Buildings were neat and clean but very much in need of paint both inside and out. We commend that the buildings and roofs be painted as soon as possible.

We have visited the Agricultural Building and find it well kept and in excellent condition.

We have visited the High School and found it in very good shape, with the exception of the heating plant. The boiler appears obsolete and inadequate to properly heat the building. We recommend a new boiler be installed.

We have visited the Grammar School and found same in good condition with the following exceptions: the furnace room should be made fire-proof and a fire escape should be installed for the auditorium.

We have visited the Perquimans County Grammar School at Winfall and found same in excellent condition.

We have examined the school buses and found the following conditions:

- No. 9, bad lights.
- No. B-8, bad clutch.
- No. 3, needs a horn.
- No. 1, No. 6, No. 7 and No. b-H are getting old and should be removed from the service.

We recommend that at least 4 new buses be provided the County. All other buses were apparently in fair shape.

Respectfully submitted this 19th day of April, 1938.

JOHN T. LANE,
Foreman of Grand Jury.
