

## Bad Weather Fails To Cut Attendance At W. M. U. Meeting

### Rev. J. L. White Speaks At Eighteenth Annual Meeting

An interesting and inspiring address was given by the Rev. J. L. White of Elizabeth City, at the eighteenth annual meeting of the Woman's Missionary Union at the Hertford Baptist Church last Thursday, where despite rainy and unfavorable weather, a large number of women were in attendance.

With "Saved to Serve" the theme of the morning session, the meeting opened at 10:30 with the mass singing of "Jesus Saves Me." Mrs. J. F. Stegall gave the devotional, which was followed by the roll call of churches and various reports.

Mrs. Carroll Ward, of the Whiteville Grove Church, spoke on Mission Study; Mrs. J. W. Ward, of Mt. Sinai Church, spoke on Personal Service, and Mrs. E. U. Morgan, of Mt. Sinai Church, spoke on Stewardship. A business session was then held and the visitors were recognized. Committees were appointed and announcements were made. A talk on "Remembering the Past—Looking to the Future," followed a hymn, "This Glad Year of Jubilee." Mrs. T. E. Raper and Mrs. R. A. Sutton rendered a duet.

A delicious luncheon consisting of fried chicken, ham rolls, potato salad, pickles, corn bread and iced tea, was prepared and served by the women of the Hertford W. M. U., after which the afternoon session with its theme, "Serving by Witnessing," was opened and presided over by Mrs. E. W. Mayes. The session opened with the mass singing of a hymn, "We've a Story to Tell the Nations." After a committee report was given, officers for the year were elected. The devotional was given by Miss Julia Broughton.

A pageant, "A Cloud of Witnesses," was given by the Hertford Church and was highly appreciated. The meeting closed with the benediction.

Those attending the meeting were: Mrs. Ernest Goodwin, Mrs. Leroy Goodwin, Mrs. Seth Long, Mrs. S. E. Williams, Mrs. L. A. Proctor, Mrs.

#### Too Salty Soup

A slice of raw potato added to soup to which too much salt has been added, and boiled in the soup for a few minutes will absorb much of the salt.

## Miss Fleetwood Is Representative Of Hospital Group

### Object to Provide Easy Way to Pay Hospital Expenses

The Hospital Saving Association of North Carolina, sponsors of the well-known "Two Cents a Day Plan" for paying hospital bills, announces the appointment of Miss Catherine Fleetwood as Hertford and Perquimans County representative, according to Felix A. Grissette, of Chapel Hill, Executive Director of the Association. Miss Fleetwood is well-known in this city, where she has lived for years. The home offices of the Hospital Saving Association are located in Chapel Hill.

This non-profit organization is sponsored and controlled by the North Carolina Hospital Association and the North Carolina Medical Society. Its sole object is to provide an easy method of paying hospital bills for its members if and when hospital treatment is necessary.

Under the terms of the Association its members are entitled to 21 days of hospital treatment during any one year in any hospital which the member may choose. After the first year of membership the benefits include bed and board, general nursing care and supervision, operating room services, delivery room services, anesthesia, medicines, dressings, and the various types of laboratory services. These benefits are available in any North Carolina hospital.

In other words, it has been pointed out, the benefits cover the very charges which often amount to hundreds of dollars and which constitute a great financial burden for people of ordinary means.

A head of a family may join the Association with a family membership and be entitled to full benefits for himself and wife and all their children, irrespective of the number, provided all such children are under 16 years of age.

The cost of membership is 60 cents per month for a single or adult membership and \$1.50 per month for a family membership.

The Association, although organi-

zed less than two years ago, has already enrolled nearly 30,000 North Carolina people as members and new members are enrolling at the approximate rate of 100 per day, according to Felix A. Grissette, Executive Director, of Chapel Hill.

Hertford people may obtain detailed information from Miss Fleetwood at 17 Front Street.

## Improvements Made To Walker's Stores

Building an arcade through the old Ford Motor Company building from Grubb Street and removing a partition has added a length of thirty feet to the stores of Morgan Walker on Church Street.

The huge old electric elevator that for several years wafted Fords, from the Model "T" era until recently, to the second floor storage room, has been dismantled and removed.

The building of the arcade, brick-lined, divides the old motor company building into three separate and complete units; the two Walker stores—and the third space facing Grubb Street, as yet unoccupied.

When the work there is finished the ballroom on the second floor at Walker's will be reached by stairs leading directly from the salesroom, instead of from the rear of the building.

## Coinjock Residents Move To Hertford

Mr. and Mrs. Alverta Griggs and their four children have moved to Hertford from Coinjock, and have taken up residence in an apartment of the Matt White house on Dobb Street.

Mr. Griggs holds a position with the Tidewater Construction Company and is working on the Albemarle Sound bridge.

Balsam of Peru, an important pharmaceutical product, is obtained from a tree that grows only in the Republic of El Salvador.

## Tempting Recipes At Next Meeting Of Better Homes Club

A demonstration in preparing these two tempting recipes will be given by Miss Gladys Hamrick, Perquimans Home Demonstration Agent, at the regular meeting of the Better Homes Club in the Agriculture Building on Dobb Street Friday, June 10, at three o'clock. Non-members are also cordially invited, according to Miss Hamrick in issuing this announcement.

For citrus fruit marmalade and crystallized grapefruit peel Miss Hamrick recommends the following procedure:

#### Citrus Fruit Marmalade

1 orange  
1 grapefruit  
1 lemon

Wash fruit and cut into thin slices with a very sharp knife. Sharpen knife frequently. This amount of fruit will measure one quart. Add 3 quarts of water to fruit and boil for 30 minutes. Stir frequently with a wooden spoon during the cooking. Let stand over night in an enameled preserving kettle. Next morning boil 20 minutes and let stand until cool. Measure. (It should measure one and three-fourths quarts.) Add an equal amount of sugar (3½ pounds).

Cook rapidly until the jelly stage is reached. Cool for two or three minutes before filling jars, to keep the fruit from rising to the top.

#### Crystallized Grapefruit Peel

Wash and scrub fruit. Remove peel. Cover with water and boil for 15 minutes. Drain. Cover with water and repeat the boiling process three times or until the peel is tender. Drain and cut peel into narrow strips. To the peel of one grapefruit add three pints of water and

one pound of sugar. Cook until transparent and the syrup has been absorbed.

Remove from fire and dry the peel on a wire cake rack. Roll in granulated sugar. Store in wooden or tin boxes or in glass jars.

## Methodist Zone Meeting Wednesday At Woodland Church

The annual spring zone meeting of the Chowan-Perquimans Zone met on Wednesday at Woodland Methodist Church. Mrs. J. G. White, president, presided over the meeting, with Mrs. J. G. Small acting as secretary. The Rev. W. G. Lowe led the devotional, after which Mrs. Eddie Harrell and Mrs. Jack Benton rendered a beautiful duet. Mrs. Ashby Jordan gave a very gracious welcome, responded to by Mrs. S. D. Banks, of New Hope. The regular routine of business was carried out, after which the Rev. M. O. Stephenson, of Durham, gave a very inspiring message on "Spiritual Life." The congregation was then dismissed, and everyone was served a delicious dinner.

After lunch, Judge J. B. Leigh, of Elizabeth City, gave a message which was of real benefit to everyone present. Miss Esther Evans, of Chowan, gave a talk on "Christian Social Relations." Four young ladies from Winfall gave a short playlet on "The World Outlook." The Rev. J. L. Smith, of Ahoskie, presented the urn to Mrs. C. W. Griffin, of the New Hope auxiliary, for making the "aim of efficiency."

Mrs. C. P. Quincy, of the Oak Grove auxiliary, thanked the Woodland auxiliary for their hospitality, and for helping to make the day a most pleasant one. The meeting was dismissed with the benediction.

Approximately two hundred and twenty-five were present.

The next meeting will be held with the Methodist Church in Edenton in the fall.
