Boy! How they've stepped up Good Gulf!

That's not the half of it! Look at NO-NOX!

These figures up there weren't drawn haphazardly. They're a fair, comparative representation of the tremendous anti-knock improvement in the new GOOD GULF Gasoline. They show you precisely how much this great fuel has been improved... a step up so great that it now surpasses North Carolina specifications for premium fuels. See what a difference it makes in your car!

Yes, sir... NO-NOX has been boosted tremendously, as well! To improve this super-fuel at all was some job. For already it was knockproof under all normal driving conditions! But Gulf has raised NO-NOX to a magnificent new high... so high it by far exceeds North Carolina specifications for premium fuels. Just try it!
