BIBLE THOUGHT FOR WEEK

DO NOT QUIT: And let us not be weary in well-doing: for in due season we shall reap if we faint not.—Gal. 6:9.

It's A Start

The decision of the joint committee from the Rotary and Lions Clubs and the Parent-Teachers Association to circulate petitions seeking backing for a gymnasium for Perquimans County is a start in the right direction.

Of course, as in any undertaking of this type, just the preliminary outlines of the matter have been gone into . . . the main objective of the committee at the present time is to try to enlist the aid of the people of Hertford and Perquimans County in the project.

Petitions to the County Board of Commissioners and the Town Board are being drawn up and will be circulated for signatures within the next few days.

The object of these petitions is to show the respective Boards that this project is a desirable proposition, and ask the Boards to consider the necessary steps to be taken in building the project.

The Weekly will endeavor to explain full details of the matter as they materialize, but at this time we wish every person to think of the matter . . . and to realize the benefits that a Community House containing a gymnasium will give, not only to the youth of the county, but also to the adults.

Congratulations To The H. D. Clubs

Anyone seeing the fine exhibits at the County Fair can readily see the splendid work that is being carried on by the various Home Demonstration Clubs throughout the County. The individual exhibits show the different types of projects undertaken . . . and each show the remarkable talent by the various members of the Clubs.

Our congratulations to Miss Frances Maness and to each member of the Perquimans County Home Demonstration Clubs on the fine work.

The Fair Parade

Very few county fairs boast of a parade as part of the program, but the parade held here Tuesday in connection with Children's Day at the Fair was an outstanding feature. The Lions Club did well to include this feature in the program, for if for no other reason than it provided one of the largest groups ever assembled in Hertford to witness the entire school system of the County.

The children were the biggest attraction in the parade and their conduct and appearance was one that could claim the praise of any county.

NEW HOPE NEWS

Miss Coila Blanche Dall left Friday for Camp Leach, where she joined a house party for a few days before returning to Greenville to continue her studies at E. C. T. C.
