### Mrs. C. P. Morris Head **Of Roll Call For Mem**berships; Propose a **Knitting Project**

Mrs. C. P. Morris has been placed in charge of the Annual Red Cross Roll Gall which will get under way in Hertford and Perquimans County on November 11 and continue through Thanksgiving Day, November 28th according to S. M. Whedbee, local chairman for the Red Cross.

Mrs. Morris will announce a list of Roll Call canvassers very shortly and due to the fact that the need for relief is much greater this year than in former years, an extensive drive will be made throughout the town and county to raise funds for the assistance of the Red Cross.

Part of the funds raised this year through the efforts of the Red Cross will be used to give aid to men of the United States who have entered military service, it was explained by Mr. Whedbes.

when it was made county-wide for the first time, lead the local leaders to believe that this year the drive can be made an even greater success. However, they urge each resident of the county to join when the Roll Call starts. The burden of the Red Cross is very great and it needs the help of every citizen.

Another scheduled group the local Red Cross leaders hope to establish here during this coming winter is a knitting group which will donate time for the knitting of sweaters and scarves to be used by the Red Cross as gifts to men in service and to British refugees.

Any person interested . . . and who is willing to give part of her time to this project should see Mr. Whedbee at the local postoffice. The local chairman is hopeful that at least 59 people will volunteer to assist in this

## **Hitler Spends Week On Diplomatic Front** London Is Quiet

### Conditions In France **Remain** Obscure and Britain Continues to **Fear Invasion**

Adolph Hitler ,Number One Nazi has spent this week on the diplomatic front, visiting with the heads of the The success of the drive last year, French, manish and Rumanian governments in what authorities believe for a quick finish of his opponents.

Rumors have been plentiful this week that France as well as Spain would enter the war on the side of the Axis powers . . . however, latest dispatches from Vichy, seat of the Free French government, disclaims any intention on the part of France

to open war on its former ally. That some action, or pressure, is being demanded or placed on France can be seen from the conferences being reported between Hitler and Laval, second in command of the French government. Laval met with German authorities in Paris on Wednesday and hurried to Vichy to confer with his associates there . . . then again returned to Paris to see Hitler on Thursday.

Some commentators are led to believe that Hitler is not making any demands on France that will require that country to re-enter the war, that he plans to develop the situation in the Balkan Countries that will lead to a quick show-down with Britain.

## Association Seeks To Form Chapter In Perquimans County

Greater Albemarle As. Dr. E. S. White Named sociation to Hold Meeting Here In November

Preparations are being made for the next meeting of the Greater Al- tees for the five townships of Perbemarle Association, which will be held in Hertford on the first Thurs- this week by L. W. Anderson, county day night in November, at which arent, for participation on the 1941 time it is hoped that Perquimans Triple-A Farm Program. County can be organized as a working chapter in the organization, according to Wade Marr, executive director of the Association.

The place of the meeting has not township. been determined, but it will probably be held in the court house, according to Mr. Marr. A large crowd is expected to attend. The regional directors will probably hold a dinner meeting prior to the organization meeting.

Perquimans County has not yet been organized as a chapter of the Association, although much favorable comment and actual cooperation in the work of the organization has been coming from the county since 's an attempt to arrange conditions the regional Association was started more than a year ago. The district which the Association serves consists of 11 counties in the Albemarle, and naturally it takes time to get the counties organized into separate units. The death of W. O. Saunders, first secretary of the Association, last spring naturally slowed up the activities of the organization until a suitable and capable man could be found to fill the vacancy left by Mr. Saunders' untimely death.

Interested leaders of Perquimans County say that the organizing of a unit in this county will be welcomed by its leaders in civic affairs, and a large working unit is expected to be formed here.

The local draft board held its first official meeting on last Friday and chose J. R. Stokes as chairman of the board, W. G. Hollowell was named secretary, and W. W. Spencer The Parent-Teacher Association of of New Hope is the third member of the Perquimans Board.

Mr. Stokes announced this week that a to'al of 1,094 registration cards were turned over to the board by L. N. Hollowell, chairman of the Board of Elections, who had charge of the registration job. Of this number 55 were cards belonging to young men not residents of this county and therefore these cards were forwarded to the proper draft

boards, leaving a total number of registrants for Perquimans County of 1,057. Eight cards were received by the local board for residents of this county who registered elsewhere.

The local board is now in the process of making up a registration sheet showing the registration number each man will have throughout last week.

After the lottery is held in Washington next Tuesday the local board. according to Mr. Stokes, will start sending out questionnaires to the registrants in the order that their numbers were drawn from the glass bowl.

These questionnaires must be filled out and returned to the local board within five days after they are received by the registrant. The board at the Agricultural building. On the war front this week action has slowed down considerably, as far as the bombing of London is concerned. Heavy fogs and ground

mists, combined with smoke pouring from the millions of chimneys in London have made that city a hard target for the Nazi raiders.

Londoners enjoyed a fairly quiet night on Tuesday and got the sound est sleep they have had in many weeks.

Despite the efforts on the part of the British Air Force in bombing the channel ports of the French side and destroying German shipping and barges, English authorities are still fearful of a German invasion through that route . . . many Nazi barges and subs' are still reported in those ports. According to British figures the R.

A. F. in bombing Germany has affected 20 percent of the German manufacturing . . . it is reported that large advertisements are being placed in newspapers in Germany seeking labor to rebuild the port of Hamburg.

## **Indians Play Rivals**

The Perquimans County High School football team journeys to Edenton Friday afternoon to meet its rivals in the annual game scheduled for 2:30 o'clock.

A large crowd of local boosters is expected to drive to Edenton to witness the game.

Up to the present time the In-dians have a poor record for the currnt year, having won 1 and lost 4 games, but a victory over Edenton would take some of the sting out of the record and bolster the team for the remaining games on its schedule.
