

Launch 4-H Program Emphasizing Use Of Best Dairy Methods

Announcement was made today of the continuation during 1941 of the National 4-H Dairy Production Demonstration program, which is designed to promote a wider use of approved dairy practices, especially among rural youth. The program, now presented for the fifth consecutive year under the supervision of the extension service, emphasizes demonstrations on breeding, growing, fitting, feeding and judging dairy cattle, and the production of high-grade milk and cream on farms.

Reports from 43 states which conducted this activity last year revealed that thousands of demonstrations were given by 4-H teams before adult and junior audiences, disseminating information essential to improvement of the dairy industry.

County eliminations will determine the teams eligible for state finals. Medals are provided for first and second teams in each county. State winning teams will be given all expense trips to the National Dairy Show at Memphis, Tenn., next October, to participate in the wind-up. The Kraft Cheese Company is providing all awards, which include \$2,800 in college scholarships to be presented first and second place teams in each of the four extension sections.

Further information, as well as suggestions for carrying on this activity, will be furnished 4-H'ers by their county agent, the announcement stated.

Perquimans County Training School News

The Elementary Grades will sponsor a musical and oratorical contest.

On Monday night, March 17, at Poplar Run A. M. E. Zion Church, the first musical and oratorical contest will be sponsored by the elementary grades. One number of each will be rendered from pupils of the different schools in the Winfall District. Orations will come from the Sixth and Seventh grades, but the music may come from any grade. Prizes will be awarded.

The purpose of this contest is to give the children below high school level an opportunity to show their oratorical abilities and stimulate an interest in the same, which may be the means of keeping them in school. This is the first program of this type and it is hoped to make it an annual affair. Eleven schools will compete.

Every one is cordially invited.

"Yes, her mother left her a cosmetic shop."

IN MEMORIAM

At the end of the trail, December 31, 1940, Mrs. Mary Davis Towe met her Pilot face to face when she was called to her eternal home. The instinct of her soul will not say the grave is final, but only through the door of death could she see God free from suffering she longed to be at rest.

Early in life Mrs. Towe gave her heart to God, and until the end she was always striving to do all she could for the advancement of His Kingdom. Her most outstanding work in the Hertford Methodist Church was the supervision for about 12 years of the Bright Jewels. The youngest missionary circle is of those who were under her leadership during the tender years of childhood. It is named for her—Mary Towe.

She was a loyal member of the Women's Society of Christian Service. Even in feebleness extreme her heart had a burning enthusiasm for missions. Often she requested the meetings to be at her home. The radiance of her face was expressive of the joy of fellowship of her co-workers. Her devotion to her Savior grew deeper with the passing years.

Many years ago Mrs. Towe was bereft of her husband but she met the responsibilities of life heroically. In the atmosphere of their Christian home her six children felt the daily influence of her godly life. They are active members of the church of her choice, the memorial she craved. It is with profound sorrow that we record the passing of our friend and co-worker, but we rejoice to know in Paradise she is not changed but glorified.

In the hope of the resurrection we left her earthly form sleeping in God's keeping at Cedarwood. The deep coverlet of beautiful flowers wet with tears was evidence of the esteem for our departed loved one.

To the bereaved we extend our love and sympathy. May the light of divine love give them consolation and resignation at the final reckoning. May her children say, "Mother, we are all here."

Mrs. B. T. White,
Mrs. H. C. Stokes,
