**MORE ABOUT COURT**

(Continued from Page One)

unable to return to Hertford. Mr. Whedbee was assisted by Charles E. Johnson.

In the case of State vs. Andrew Stephenson, charged with assault with a deadly weapon on Edward Layden, the jury found Stephenson not guilty. Layden, prior to the trial of Stephenson, plead guilty to a charge of participating in a fray. The two men had an argument in New Hope on last December 7, and the charges came out of the affair. Judge Stevens continued prayer for judgment in the case of Layden, after he had taxed Layden with costs.

The Stephenson case was the last one heard on Tuesday.

Added speed was noticeable in court on Wednesday as seven cases were heard and verdicts rendered in them before adjournment late Wednesday afternoon. Charles Whedbee was acting as solicitor due to Charles Morris being ill and unable to attend the session.

Wilson Ferebee, Negro, plead guilty to the charge of theft of \$4.50, and was sentenced to the roads for 18 months.

James Whitehurst, Negro, entered a plea of guilty to larceny of a watch and \$45. Judge Stevens sentenced Whitehurst to the roads for 12 months.

The State took a nol prosee in the case of Milton Harvey, charged with possession of a stolen automobile. The alleged offense was committed in Pasquotank County and for this reason the nol prosee was taken.

Judge Stevens remanded the case of George Miller, charged with driving drunk and reckless driving, back to the Recorder's Court and ordered that the judgment therein be complied with.

Vernon Wiggins, Negro, entered a plea of guilty to the charge of being drunk and disorderly and trespass. He was sentenced to two months in jail, sentence to be suspended upon payment of costs and that the defendant be on good behavior for a period of two years, and he is to refrain from drinking any intoxicants for a like period.

The jury found Charlie Russell guilty of non-support of his child and the judgment, 18 months on the roads, suspended upon payment of costs, and he is to pay \$5 per month for the support of the child; also \$35 for a doctor bill.

Lester Phelps, Negro, was also found guilty of the charge of non-support of his child. Judge Stevens sentenced Phelps to 12 months on the roads; suspended upon payment of costs and \$5 per month for the support of the child; also doctor's bill.

The cases of Amos Mallory and Luther Perry, both Negroes, was heard on Thursday, but the verdicts in these cases were not available when The Weekly went to press.

Mallory was charged with larceny and Perry was charged with assault with a deadly weapon.

It is highly improbable that any cases on the civil docket will be heard during this term of court. The length of the criminal docket carried court further into the week than had been anticipated at the beginning. Court will adjourn on Friday evening.

CHECK CHRYSLER PRICES. THEY'RE LOWER THAN YOU THINK!

**TOWE MOTOR CO.**  
Hertford, N. C.

**FLUID DRIVE**—The smoothest driving ever, because power is transmitted through a shaft of oil. One fan-like wheel attached to engine whirls in oil and drives another which is attached to driveshaft and wheels.

**VACUMATIC TRANSMISSION**—Vacumatic transmission automatically changes gear ratio at your command. You stop by merely putting on the brake. Start up by simply stepping on the gas. So—why shift gears?

**SPITFIRE ENGINES** with multi-jet carburetors—Engines so powerful that—coupled with Fluid Drive—they start in high as smoothly as a bird gliding away. Chrysler carburetors have multiple-jets for different speeds—for economy, for pickup.

**AIRFLOW BODIES**—More beautiful, wider, lower bodies, the ultimate expression of aero-dynamic styling. Extra head, shoulder and leg room. Buoyant Airfoam cushions on wide, loungy seats. Bigger windshield and windows.
