are very encouraged by the reaction in the district. Every mail brings in more offers to help, and promises of support from every section of the district. A number of clubs are pledged to the local candidate "as long as he remains a candidate." Much local interest has been shown in the outcome, and arrangements will be made whereby results of the election will be posted in the window of Walkers Confectionery Tuesday afternoon as soon after the result has been announced as possible.

The local club will play a very prominent part in the convention, and has already been assured of winning at least one cup. They brought home two cups last year. As a token of appreciation to its "daddy" club, it is planned to have some member of the Edenton delegation make the nominating speech, and perhaps a member of the Washington delegation make the seconding speech. The Washington Club is the "granddaddy" of the local club.

The local club meets tonight (Friday) at the Hotel Hertford at 6:45 o'clock. Some very important business is to come before the meeting and a large attendance is desired. Officers for the coming year will be installed at this meeting. These officers are as follows: President, Claude White; First Vice President, Archie T. Lane; Second Vice President, J. H. Towe; Third Vice President, Reginald Tucker; Secretary-Treasurer, Norman Trueblood; Tail Twister, Clinton T. Eley; Lion Tamer, Morgan Walker; Directors, B. L. Gibbs, Clarence E. Hobgood, R. F. Munns and J. Alvin White. The retiring president, Julian A. White, will become an ex-officio member of the board.
