THE CHRYSLER DEALERS OF HERTFORD

INVITE YOU TO SEE AND DRIVE THE

Beautiful New Chrysler

It's a Thunderbolt!

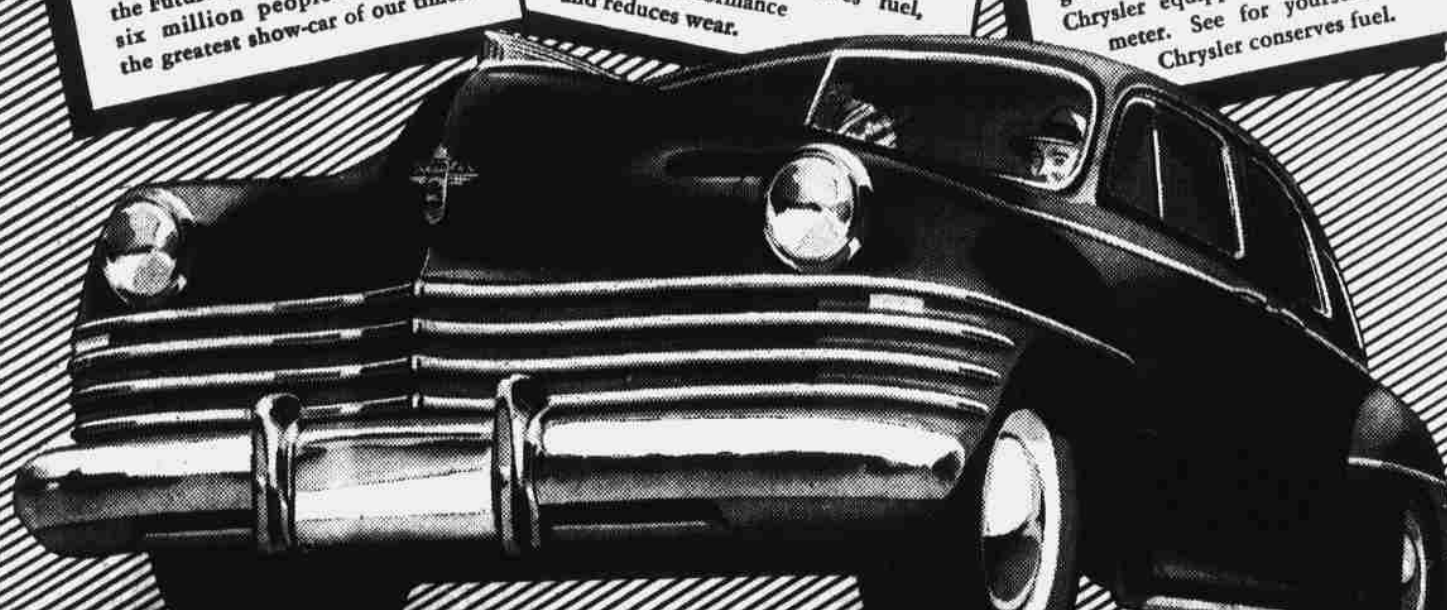

Beauty that deserves—and gets—a gasp. You can't imagine such a car! It's a thunderbolt of beauty! Lines frankly patterned after Chrysler's famous "Thunderbolt"—"The Car of the Future", admired by more than six million people last year as the greatest show-car of our times.

With a More Powerful Spitfire Engine!

More power! More pickup! More efficiency! With more extensive use of Amola steel and Oilite metals. No "roughed" bearings... Chrysler's Superfinish conserves fuel, increases performance and reduces wear.

Fuel Conservation

WITH FLUID DRIVE AND VACAMATIC TRANSMISSION! A more efficient engine plus Fluid Drive with Vacamatic transmission gets more power per gallon. Drive a Chrysler equipped with a Tachometer. See for yourself how Chrysler conserves fuel.

SEE IT — DRIVE IT — HERE!

This new Chrysler is more than usually important. The times we live in throw out a challenge... a challenge to change our car—and make it better.

We're proud to say that challenge has been met with complete satisfaction.

We invite you to drive this new Chrysler—now—regardless of whether you are in the market for a new car—regardless of whether some

other car has always been your "favorite" make.

Fluid Driving with this new Spitfire engine, in this new aerodynamic body is so utterly superior to what people have called "motor-ing" that we don't try to tell you about it. We offer you this beautiful new Chrysler to drive.

Be fair to yourself. Let your next car win by comparison! Don't miss Chrysler's Fluid Drive this year! Base your preference on performance!
