

This Is Entry Week In Our Campaign More Workers Wanted For Sparetime Job You Can Earn \$2 to \$5 Daily - Every Day Is Payday

NOTICE TO THE WORKERS

The Weekly's Daily Commission Circulation drive is getting under way. The starting gong has sounded in the race and now is the best time for each worker to seek subscriptions. Plan on making a good commission check every day and at the same time you will be building up a vote total toward winning one of the six prizes to be awarded on November 29th.

Remember that it will take votes to win the prizes and the largest number of votes issued during the campaign are given during these first four weeks. The campaign offers you an excellent opportunity to create an additional income—or to build up a surplus for your shopping—so do not delay in getting your campaign under way—set a goal for yourself each day and you will find that that is the winning way to the prizes. Do your best work now—while votes are highest and make your daily commission check as large as you wish.

Are you looking for an opportunity to trade some of your spare time for extra cash? The Weekly's "every day is pay day" campaign will solve your problem. We need more workers to help us make a complete coverage of Perquimans County in our drive for new and renewal subscriptions. 20% cash commission will be paid every day to those who enter and assist us to achieve a 100% circulation coverage of this trade territory.

If you have been wishing for the chance to earn cash to pay bills, buy a car, a radio, an electric stove or new Fall clothes, then enter your name in our campaign and start drawing your pay tonight. You can earn as much as \$300 in this campaign.

NOTICE TO OUR READERS

To make it easy for you to subscribe to your home county newspaper, we are now conducting this circulation campaign during which the price of The Weekly will be ONE DOLLAR per year. You will undoubtedly be visited by one of our campaign workers, who are being paid a daily commission on all collections made, and at the same time have an opportunity to win a cash prize.

Give her your subscription and support. Help her to earn extra money and at the same time you will be saving money on the price of your subscription.

It is our duty to notify all readers that it is strictly contrary to Postal Rules and Regulations for us to mail papers to delinquent subscribers; therefore we will use this method to give notice that unless all subscriptions are paid in advance, they will be cut off our mailing list.

Subscribe today while your subscription will help your friend most.
