GOBLE THOUGHT FOR WEEA
GOD'S PURPOSES WILL FINALLY TRIUMPH: And He shall judge among the nations, and shall rebuke many people: and they shall beat their swords into plowshares, and their spears into pruning hooks: nation shall not lift up sword against nation, neither shall they learn war any more.—Isa. 2:4.

False Rumors

The Perquimans Weekly has just learned of a dirty piece of gossip now in circulation throughout the county and wants to take this time to implore the good people of Perquimans County to stamp it out wherever possible.

The gossip, as it comes to us, is that volunteer workers striving to raise the \$1,500 requested by the American Red Cross for use in our war are paid one-half of their collections as commission. **THIS IS AN OUTRIGHT FALSEHOOD.**

The workers calling on the people are doing so at their own expense and time. They receive nothing for their trouble except to know that they are serving their country in time of need.

So let's stamp out this rumor—if you hear it, you know that it is false. Naturally, in times like these, there are rumors and rumors of rumors. Our Government has requested, and is now urging ALL AMERICANS to pay no attention to street talk. Many times information is passed along that is completely false. Most of the time these rumors have their beginning at the offices of our enemies and are given out for the sole purpose of disorganizing and discouraging Americans.

You can always remember this: When a drive or project is in the hands of such an organization as the American Red Cross, the Salvation Army, or the USO, it is for the purpose of helping America, for those organizations are as American as the Perquimans River.

Avoid War Hysteria

According to history books, if one searches for detail, when the Spanish-American War broke out every seaport on the Atlantic Coast thought the Spanish fleet was just about to bombard it, and called for naval protection. Events showed the Spanish fleet hopelessly outclassed by the American warships.

In the First World War the submarine gave many people the jitters. Many German U-boats were sighted off the American coast, and while some actually came and sank some ships, there were not nearly as many as there were rumors and fears from time to time. Getting excited didn't help matters in the slightest.

The airplane will probably be the main subject of false alarms in this Second World War. Bombers will be reported and awaited in many places needlessly and without accurate basis. Not every plane flying in the sky is an "unidentified plane, probably hostile" on its way to bomb some American city.

While it is wise to be on the alert, to adopt every protective measure, we should seek to avoid war hysteria. We should not accept every rumored event which we read or hear about. Wait in confidence until the Government makes its official announcement as to what has actually happened.

A democratic government does not hide facts from its people. Witness the example of Prime Minister Churchill, who has repeatedly and promptly advised his people of military or naval disasters. President Roosevelt has promised that the same policy will be followed, and news given out provided only it will not help the enemy. That's fair and desirable.

Everybody can help in this great struggle. Avoiding hysteria is only one way. Working hard at each accepted job is another. Buying Defense Bonds is another. Contributing to the Red Cross appeal is still another. Keep busy. Keep your faith. Help win the war.

Per capita consumption of canned foods by our armed forces is several times that of civilians, the Department of Commerce says.

CARD OF THANKS

For the many loving words spoken and deeds of kindness rendered during the illness and death of our dear mother, we wish to express our heartfelt appreciation.

—The Family of Mrs. Lizzie Riddick Jolliff.

IN MEMORIAM

On November 20, 1941, the spirit of our precious mother, Mrs. Lizzie

Felton Riddick Jolliff, took his flight to join loved ones in the Heavenly realms. So peacefully, without a struggle, she passed out into the arms of her Saviour. In early life she was happily converted and joined Hickory Cross Methodist Church which her maternal grandfather, the Rev. Kadar Felton, built for his own ministry. Later this church became Bethany Church, where she remained a loyal member until her death. Not only the church, but the church school, the Women's Society of Christian Service and the community has lost an ever faithful member and friend. She will be greatly missed by all who knew her. She gave so freely of her means to every needy cause. She loved everybody and was a neighbor to all. No needy person could go away empty-handed from her door. The good she did will live on in the lives of many. So well has it been said of her, "To know her was to love her." This world has been a far brighter, happier world because she lived. She has left a rich heritage to each of her children and has handed to each the torch she held high of a pure and blameless life. Her children arise and call her blessed. She has fought a good fight and has kept the faith. Henceforth, there is laid up for her a crown of righteousness.

The beautiful floral offerings and the large crowd who came to pay its last respects showed the esteem in which she was held. What a glorious thought to know we can meet again. Though our hearts are crushed with grief, we do not grieve as those who have no hope. Her mansion is prepared, she having sent

up rich material all through the years. So farewell, dear mother, until we meet you in the morning.

Servant of God, well done!
 Thy glorious warfare's past;
 The battle's fought,
 The race is won,
 And thou are crowned at last.

Soldier of Christ, well done!
 Praise be thy new employ;
 And while eternal ages run,
 Rest in thy Saviour's joy.
