

## 3,000 N. C. Women Wanted In WAVES

### Navy Undertaking One Of Most Important Jobs of Career

Raleigh, March 24.—With the help of The Weekly, the Navy Recruiting Service has undertaken one of the most important jobs of its career—that of enlisting 3,000 North Carolina women for duty with the WAVES.

Naturally, the Navy does not—and never will—expect her women volunteers to see combat duty. But that does not lessen the importance of women bluejackets. It's a known fact that men are direly needed at sea—but, it's also a known fact that five men are needed "on the beach" to keep one man at sea.

The WAVES have been designated for many of those shore jobs. They can do the jobs just as well, just as efficiently, just as quickly as men. Consequently, their enlistment means another sailor for the firing line.

With the cooperation of this newspaper, a drive is being made to contact as many interested women as possible. A coupon is being printed elsewhere which needs only to be filled in and mailed to the Navy Recruiting Station, Raleigh. Full details will be sent by return mail—but nobody will be placed under any obligation whatsoever.

Most WAVES live on subsistence allowances, which amounts to \$2.75 per day or about \$84 per month. That is in addition to her salary, which is \$78 per month for the lowest petty officer rating—and more for higher ratings.

### Youths Interested In Naval Aviation Have Opportunity

Seventeen-year-old youths interested in becoming Naval Aviation Cadets, are offered opportunities under the new system recently set up by the Navy Department to procure

## DR. GILLESPIE'S NEW ASSISTANT

Dr. Gillespie's United Nation Staff proves most entertaining in the latest sparkling feature, "Dr. Gillespie's New Assistant," coming to the State Theatre Sunday only.

and train youths as flying officers. Full details of these opportunities may be obtained by contacting R. M. Riddick, chairman of the local board in charge of assisting the Navy in procuring men.

Some of the requirements necessary for appointment are: Applicants must be 17 years old, not over 18; must agree to remain on active duty for four years, unless released sooner by the Navy Department; must be unmarried and remain so during period of training; must be graduated from, or currently enrolled in an accredited high school, with reasonable expectation of graduating by June 30.

Youths interested in this offer by the Navy are requested to see Mr. Riddick, who will explain the details of the class and give information regarding application papers required.

### MORE ABOUT COURT

(Continued from Page One)

saulted them with a board. Judge Johnson found Margaret Newbern guilty of assault and suspended judgment upon payment of court costs. Everett and Annie Godwin were found guilty and sentenced to 30

days, suspended upon payment of a fine of \$10 and costs of court.

Keefe Mallory, Negro, was released when the State took a nol pro with leave in the case charging him with reckless driving.

Lotus Bishop entered a plea of guilty to operating a car without license and was taxed with court costs.

Raymond Bohris paid the costs of court after pleading guilty to a charge of driving with improper brakes.

Zach Phillips was fined \$15 after pleading guilty to speeding.

### Adult Sewing Class Being Conducted At County High School

An adult sewing class, under the supervision of Mrs. D. L. James, home economics teacher, is now being conducted in the Home Economics Department at the Perquimans High School. The class met for the first time on March 24, and decided to meet thereafter on each Tuesday and Thursday afternoon at 4 o'clock.

Mrs. James announced this week that the class is being conducted at no cost to those enrolling, and issued an invitation to the adults of the county to join.

Subjects which will be discussed by the class will be problems presented by individual members. The class will also study dress-making, clothing renovation, slip covering and children's clothing. The class will meet again on next Tuesday and persons interested are urged to attend.

### Rotary Club Hears Observation Officer

The Hertford Rotary Club had a guest speaker at its meeting Tuesday night, Sergeant S. R. Pazzolla, an officer of the Norfolk Army Command in charge of the Observation Division for this area.

Sergeant Pazzolla told the Rotarians of the work being done in spotting planes throughout this district and deplored the fact that the observation tower in Hertford is not being manned in a suitable manner. He stated that unless the people of Hertford organize and take over this work as they should, his group will have to come here for the purpose of establishing such a volunteer organization.

He told the local club that Hertford's tower is one of three in this entire district not being properly manned.

### Blackout Successful; Another Due Soon

The practice black-out held here last Friday night was termed a complete success by Charles Whedbee, chairman of the Perquimans County Civilian Defense. No reports of violations were received at the CD Offices and all wardens reported complete cooperation on the part of civilians.

Mr. Whedbee announced that another black-out will be called some time between now and April 1, but the definite date and time will not be announced. The black-out will be called by the Army Command and all citizens must keep on the alert at all times for warnings.

### Large Number Attend Lions Club Fish Fry

The Hertford Lions Club entertained a large number of guests at a fish fry held last Friday night at the Municipal plant. An abundance of freshly fried fish and all the trimmings was thoroughly enjoyed by those attending. Previously an oyster roast had been planned, but the club's inability to obtain the oysters caused the change to fish... but the members and guests seemed to enjoy the change.

## Program Scheduled For Friday Postponed

The patriotic program scheduled to be presented Friday night at the Hertford Grammar School for the benefit of the Red Cross has been postponed indefinitely, it was announced here this week.

Mrs. B. G. Koonce, director of the program, was forced to discontinue practice on the parts due to the serious illness of her husband.

at E. C. T. C., Greenville, spent the week-end with her parents, Mr. and Mrs. F. M. Copeland. She had as her guest, Miss Lavine Womble, of Apex.

Miss Marie Anderson, Home Economics teacher at Chowan High School, spent the week-end with Mr. and Mrs. L. W. Anderson.

Mr. and Mrs. Miles Bunch, of Rocky Hock, were guests of Mr. and Mrs. Roy Byrum Sunday.

Mrs. Odell Hobbs, of Jackson, was the week-end guest of her parents, Mr. and Mrs. W. L. White.

Miss Madge Lane was the guest of Mrs. S. M. Winslow Friday.

Mr. and Mrs. E. O. Copeland and son, of Elizabeth City, were guests of Mrs. H. P. White Sunday.

Jack Anderson, of Newport News, Va., was the guest of Mr. and Mrs. L. W. Anderson Saturday.

Mrs. C. T. Rogerson and Mrs. N. W. Chappell attended the Food Conservation meeting at Hertford on Friday.

Mr. and Mrs. Howard Chappell and family, of Whiteston, were visitors in the home of E. L. Chappell Sunday.

Mr. and Mrs. Leonard Winslow and son, Leonard, Jr., of Hertford; Miss Mildred Bogue, of Woodville;

Mr. and Mrs. T. R. Winslow and children, Mary Elizabeth, Eva Rae, Norma, Bill and Gordon, and little Miss Avis Winslow were the dinner guests of Mr. and Mrs. S. M. Winslow Sunday.

Misses Mary Elizabeth and Eva Rae Winslow and Zenova Chappell, and Bill Winslow and Remby Chappell motored to E. C. T. C., Greenville, Sunday afternoon and were accompanied by Misses Mildred Copeland and Lavine Womble, who returned to their studies.

PREACHING SERVICES AT PINEY WOODS SUNDAY  
The Rev. Benj. H. Milliken, of Staleyville, will preach at Piney

Woods Friends Church Sunday morning. The public is cordially invited to attend this service.

## Sentinels of Health

Don't Neglect Them!

Nature designed the kidneys to do a marvelous job. Their task is to keep the flowing blood stream free of an excess of toxic impurities. The act of living—life itself—is constantly producing waste matter the kidneys must remove from the blood if good health is to endure. When the kidneys fail to function as Nature intended, there is retention of waste that may cause body-wide distress. One may suffer nagging backache, persistent headache, attacks of dizziness, getting up nights, swelling, puffiness under the eyes—feet tired, nervous, all worn out.

Frequent, scanty or burning passages are sometimes further evidence of kidney or bladder disturbance. The recognized and proper treatment is a diuretic medicine to help the kidneys get rid of excess poisonous body waste. Use Doan's Pills. They have had more than forty years of public approval. Are endorsed the country over. Insist on Doan's. Sold at all drug stores.

# NEWS FOR MOTORISTS

— as broadcast this week on the Kaltenborn program

Listen to H. V. Kaltenborn, dean of News Commentators, at 7:45 P.M. on WTAR, Norfolk, Monday thru Friday, or WPTF, Raleigh, Monday thru Thursday.

ANNOUNCER:

You have a perfect right, you know, to every single mile you can squeeze out of your ration of gasoline for essential driving. So, give extra attention to those items of car care which save gasoline. Ask your Pure Oil Dealer to help you. He'll be glad to check your spark plugs, for example. Did you realize that on short runs at low speeds spark plugs don't get hot enough to burn off excess carbon? Tests prove that dirty or worn-out plugs can waste as much as one-tenth of your gasoline! Your air cleaner, too, should be checked, and kept clean. Tire pressure is another point. Under-inflation not only shortens tire life but it also steals gasoline. Remember, now: spark plugs, air cleaner and tires. Make a note to see your Pure Oil Dealer regularly about these things.
