

## Rotary To Donate Athletic Equipment To Boys At Base

The Hertford Rotary Club, at a meeting on Tuesday night, voted to donate a sum of money to a fund being raised to furnish the enlisted personnel of the Harvey Point Naval Base with athletic equipment.

The sailors are planning to have a baseball field at the base and interested persons are gathering together a fund to buy the men some baseball equipment to equip their team.

## Health Department On Radio Program

The Perquimans-Pasquotank Health Department will conduct a series of weekly radio programs on Station WCNC, beginning Friday afternoon, according to Dr. D. C. Hackett, health officer.

The programs will present various health problems and the manner in which they are handled by the health department.

## Sugar Stamps 15-16 Must Be Used Before Applying For Sugar

Persons seeking sugar for home canning were asked by E. Leigh Winslow, chairman of the local War Price and Rationing Board, to use stamps 15 and 16 in War Ration Book One before applying to the board for sugar. These stamps are valid for five pounds each for home canning. He added, however, that persons who have already been granted 25 pounds of sugar, the top limit allowed any one person, cannot use the stamps for more sugar, nor can a retailer accept them. The amount granted by the board is marked on the front cover of the ration book.

## County Goes Over Top In Bond Sales In May

Perquimans County has again successfully met its war bond quota, according to R. M. Riddick, chairman of the county finance committee, who stated on Wednesday that the total sales of war bonds during May amounted to \$19,312.50. The quota was set at \$18,200.

Perquimans has been among the many counties of the State which have oversubscribed war bond quotas for the past many months, and Mr. Riddick expressed his appreciation for the splendid response residents of this county have made in buying bonds.

He pointed out, however, that our Armed Forces are now preparing for complete victory and in order that the boys at the fighting front have superiority in weapons and material we all should continue to buy more and more bonds.

## Nuisance Charges Brought Against Operators Of Club

Following numerous complaints being made against the establishment, charges of operating a public nuisance were brought against Mathews White and Andrew Baker, Negro operators of the Savoy night club, this week by C. R. Holmes, prosecuting attorney for the Perquimans Recorder's Court.

Warrants against the defendants were served early this week and a hearing on the matter has been set for next Tuesday morning.

A large number of the cases brought into Recorder's Court during the past year or so had their beginning at this club, and it has been reported that residents living near the place have expressed the opinion that the place should be closed.

## To Our Customers

During the past several months, due to shortage of help and the additional patronage by new families in this community, it has been almost an impossibility to maintain the quick, high-class service which we seek to give our customers on their visits to our store.

We are constantly trying to keep up with these conditions and see to it that you—our customers—are given quick and satisfying service when shopping with us. We have several of our employees in the Armed Services and these have been replaced by clerks who are fast learning to serve you.

We still can tell you that we have the largest stock of merchandise to be found in any store in Eastern North Carolina and we will make every attempt to keep our store well stocked with items you want and need.

Our buyers are constantly on the lookout for merchandise, even now when many things are so hard to get, and we have been fortunate in being able to maintain our large stock.

We wish to assure you that we appreciate your business and welcome you to our store. Come in and shop where you can find your entire needs under one roof.
