

Kaus Exposition Furnishing Midway Firemen's Carnival

A fine brand of entertainment is being furnished at the Hertford Firemen's carnival, on the Town lot, by the Kaus Exposition Shows, which closes its engagement here on Saturday night.

The shows are featuring a large number of modern riding devices, as well as other types of clean amusement and have been drawing large crowds nightly.

A feature of the nightly entertainment is the giving away each night

of a \$25 war bond, the drawing taking place at 10:30. Only one drawing is made each night, except on Saturday night, and if the person whose name is drawn is not present, the bond will be carried over until the next night and the winner awarded both bonds. This system is carried on thus until Saturday night, when the drawing will continue until the bonds are claimed by the party who happens to be present when the ticket is drawn.

Saturday will be observed as Children's Day, from 2:30 p. m. until 6 o'clock.

CHILDREN'S DAY PROGRAM

"The Golden Chain," a Children's Day pageant, will be given at Upper River Friends Church on Sunday evening, June 27, at 8:45 o'clock.

The public is cordially invited to attend.

REVEILLE WITH BEVERLY

The Mills Brothers are shown in a scene from their forthcoming picture, "Reveille With Beverly," with Ann Miller and four great bands, coming to the State Theatre Sunday.

NEWS FOR MOTORISTS

— as broadcast this week on
the Kaltenborn program

Listen to H. V. Kaltenborn, dean of News Commentators, at 7:45 P.M. on WTAR, Norfolk, Monday thru Friday, or WPTF, Raleigh, Monday thru Thursday.

ANNOUNCER:

"Are you up-to-date on your own eligibility for tires, or recapping? You are probably doing all you can to stretch the life of your tires—watching your speed and tire pressures closely—avoiding unnecessary driving. This is patriotic, for rubber is scarce. But the Government wants your car kept rolling, and the new mileage rationing tire regulations make more drivers eligible to have worn tires recapped or replaced. Holders of A, B or C books who can show essential need for replacement, are eligible. So, when one of your tires become worn, or unsafe, see an authorized tire inspector to find out if he is warranted in recommending a recap or replacement to your local ration board. Many Pure Oil dealers have been appointed official OPA tire inspectors. See the one nearest you for inspections, replacements, or the frequent services which lengthen tire life."
