A Message To Friends and Customers Of Our Store

Last Friday afternoon the J. C. Blanchard & Co., Inc., suffered the most serious set-back in its history of one hundred and eleven years of service to this county. The disastrous fire temporarily closed our store.

We wish to take this means to express our appreciation to many people of this community who assisted at the fire, and to the Harvey's Point Naval Air Station, the Edenton and Elizabeth City Fire Departments, as well as to the Hertford Fire Department, for the splendid work in bringing the fire under control.

It is almost impossible for us to personally thank each of you for your aid, and we wish you to accept our sincere thanks.

We wish to announce that plans are being rushed to restore the J. C. Blanchard & Company Department Store, and it is our aim and desire to re-build such a store that will serve and be a credit to Perquimans County in the years to come.

We are indeed grateful for the patronage you have given this organization for the past 111 years and hope that as soon as we are re-established you will again make our store your one stop shopping center.

Meanwhile, we have arranged to re-open our business in the sales room of the Winslow-White Motor Company, and will do business there.

We will be open for business on Saturday, July 10, and will have a varied stock of groceries and hardware items for you.

If you are in need of hardware items, farm repair parts, etc., come in to see us and we will do our best to get them for you immediately.

J. C. Blanchard, President
