If You Suffer 'PERIODIC' FEMALE PAIN

With Its Weak, Cranky, Nervous Feelings

If at such times you, like so many women and girls suffer from cramps, headaches, backache, distress of "irregularities", periods of the blues — due to functional monthly disturbances — Start at once—try Lydia E. Pinkham's Vegetable Compound to relieve such symptoms. It's famous not only to help relieve monthly pain but also accompanying tired, weak, nervous feelings of this nature. This is because of its soothing effect on ONE OF WOMAN'S MOST IMPORTANT ORGANS. Taken regularly — Pinkham's Compound helps build up resistance against such symptoms. Follow label directions.

LYDIA E. PINKHAM'S VEGETABLE COMPOUND

"Tell your rationing board you are cutting pulpwood"

says Prentiss Brown, Administrator of Office of Price Administration

"PULPWOOD cutting has recently been listed as an essential occupation and those engaged in it should now include such activities in connection with any application for supplementary gasoline, tire, or automotive rations.

"If you are using gasoline-powered equipment in sawing, drawing or trucking pulpwood and it is absolutely necessary for you to have an additional allowance,

you should report the fact to your local rationing board, giving full information as to the number of cords to be cut and the distance it must be trucked.

"Ceiling prices for pulpwood have been set by this office and are available upon application to your nearest OPA District Office. There is no present intention of revising these prices."

Approved by Office of Price Administration
 Sponsored by NORTH CAROLINA PULP CO. PLYMOUTH, N. C.
 Or Contact Our Representative MR. JACK SWAIN
 Box 56 Edenton, N. C.

Now is the time to cut or thin your timber while prices are high and pulpwood badly needed.

Cut wisely and the remaining trees will grow faster and bigger. Your forester or county agent will help you select trees for cutting.

Remember how many cords you can cut. Then get in touch with our local dealer, or telephone, or write us for prices and specifications.
