

## Lions Carnival Date Changed To Oct. 11

A new date for the Hertford Lions Club Fall Festival, tentatively set to open October 4, was announced today by Charles Williford, club president. The carnival will be held during the week of October 11 to 16. The club received notice last week that due to unavoidable breakdowns, the Kaus Exposition Shows, which will furnish the midway attractions for the festival, would be unable to arrive before October 11. The club voted at its meeting last Friday to change the date for the affair to October 11. The Kaus Shows played here during the past summer for the Firemen's Carnival and plans to return with even a bigger show this fall than was presented during the summer.
