**Why VICKS Is So Good**  
For Relieving Miseries of Childrens Colds

More than two generations ago—in grandmother's day—mothers first discovered Vicks VapoRub. Today it is the most widely used home-remedy for relieving miseries of children's colds. And here is the reason...

The moment you rub VapoRub on the throat, chest and back at bedtime it starts to work two ways at once—

and keeps on working for hours—to ease coughing spasms, help clear congestion in cold-clogged upper breathing passages, relieve muscular soreness or tightness. It promotes restful sleep. Often most of the misery of the cold is gone by morning! That's why VapoRub is so good to use when colds strike. Try it!

**LUCKY JOE!**

SITTING ON TOP OF THE WORLD

Yes, they call him "Lucky Joe" because every year he gets his crops in at the right time without any worries about time-wasting breakdowns. But God's a secret about this fellow Joe. He's not lucky! He's just sensible. He always checks his machines long before he needs them to be sure of getting parts. Another thing, he won't buy anything for his McCormick Deering Farm Equipment but GENUINE IHC PARTS.
