# THE PERQUIMANS WEEKLY

olume XI.—Number 6.

Hertford, Perquimans County, North Carolina Friday, February 11, 1944.

\$1.50 Per Year.

# THIS WEEK'S HEADLINES

Judging from reports from some war correspondents, it is possible that some explanation may be forthcoming regarding the slow advance of Allied forces, which established a beachead at Nuttuno. The Germans, it is reported, have now seized the offensive in this sector and are pounding Allied positions with artillery. It has been announced that adverse weather conditions have slowed Allied advancement, but seemingly there has been some miscalculation which has caused the Allies to lose the advantage gained by the surprise attack.

The Navy reported Wednesday that fighting for the Kwajalein atoll in Marshalls had ceased with American ferces in complete control of the island. The Japs are reported to have been wiped out or to have fled, and planes or ships. The winning of this position, according to a Navy release, cost 286 American lives compared with 8,122 dead Japs. Following up the capture of Marshall, American warships attacked the important Jap base of Paramushiro this week and shelled the base for more than twenty minutes.

continued slowly this week with the county property, near Winfall. This Red Army moving farther into Estonia and Old Poland. In the south and a warden will be stationed at the of Russia Red Army forces captured the town of Nikopol, from which for fires and report them to the fire Hitler has been receiving large stores of ore used in manufacturing steel products. The Reds are reported to have trapped 75,000 Germans in this latest attack. Red air forces, this week, raided the Finnish capital of Helsinki, setting fires which raged for several days. Russis had warned Finland to get out of the war or suffer the consequences. war or suffer the consequences. sidents of Helsinki are reported wing the city, but no statement been issued by Finnish leaders arding possible peace.

The Senate, on Tuesday, voted to aftack the soldier voting bill to one passed by itself and the House earmet listing, and they are reminded to list as soon, now, as possible. conference for possible action. The bill, calling for a Federal ballot for

Authorities in Washington promised additional allotments will be shipped into the State at once to aid in restoring transportation and farm storing transportation and farm work which had practically come to a stand-still in many parts of North

#### Legion Post Receives Cards From Soldiers **And Thanks For Fags**

Members of the Wm. Paul Stallings Post, No. 126, of the American Legion, have received cards of thanks from Sgt. Clinton L. Smith and Lt. Bernard L. Lormier, both stationed in North Africa, for the cigarettes supplied to men of their companies.

The cigarettes are sent to the men overseas by the local Post from funds collected in the small glass banks placed in many of the business places in Hertford. The response to this silent campaign has been splendid, according to J. D. Cranford, Post commander, who said in releasing the statements from the service men, "We are thankful to those who have contributed to this fund and we hope they will continue to help us provide smokes for the boys."

Bgt. Smith, on his card to the

Pest, said: "In behalf of the men of my organization, I wish to thank you of the fifty cartons of cigarettes Office February 28 you so kindly sent. I don't believe I need tell you 'Ed Yard Birds' how swell a smoke can make a fellow feel

#### **Boy Scouts Celebrate** Anniversary Week

This week is being observed as National Boy Scout Week through-out the nation and tribute is being paid to thousands of boys as mem-

bers of the Scout organization.

Although the Hertford troop plans no special celebration, it is pertinent to remind the public that the local troop is an outstanding one and its record for aiding in war work is excellent. The local Scouts have assisted the local Scouts have assisted the local GCD in all black-outs and have conducted numerous drives for aiding the war affort. The boys are now working on a waste paper campaign to help solve the paper better have all bein ordered and shortage, and the collection of waste paper better have all bein ordered and shortage, and the collection of waste paper better have all bein ordered and shortage, and the collection of waste paper better have all bein ordered and shortage, and the collection of waste paper better have all bein ordered and shortage, and the collection of waste paper better have all bein ordered and shortage.

# FIRE CONTROL PROBLEM AGAIN BEFORE **COUNTY COMMISSIONERS; WARDEN QUITS Left Thursday For**

Applications Sought For Blackout Tuesday An Appointee; Con- Night Successful trol Tower to Be Constructed

Following several costly forest fires in various parts of the county last week, the question of fire control was again before the Board of County Commissioners at their meeting Monday.

The Board was notified that Jim Carver, county fire warden, had resigned the position effective February 15, and it was agreed by the members that a reorganization of the county fire control system was needed. A representative of the State Board of Conservation attended and requested the Board to ask for applications for filling the position as county fire warden, and statlittle opposition is reported from Jap ed it was believed as soon as a new warden is appointed, the system can be organized here to give greater efficiency.

The fire warden's job is one that can be worked in connection with other duties, and persons desiring to make application for the post are requested to contact J. W. Ward, clerk of the Board of Commissioners.

It was announced in the meeting that a look-out tower to aid in fire Fighting on the Russian front control will be constructed soon upon tower will stand 100 feet in the air tower during fire seasons to watch warden.

The Board authorized its clerk to write the State Highway Commission and request that certain road repairs be made on a section of the Turnpike, in Belvidere Township, which is now reported to be almost

Mr. Ward, who also serves as tax supervisor, told the Board that most of the tax listers had completed the job of listing taxes for 1944, and a report will be made by each of them on Friday. It is thought a large per cent of tax payers have listed, but those who have not listed are re-

Mrs. Thomas Nixon has been named as chairman of the Perquimans County drive for funds to buy these items for our service people.

but people who desire to help furnish Mrs. Helen Davenport, clerk of the musical recreation to our service Board, said Monday. men are requested to give their contributions to one of the following persons named to assist Mrs. Nixon in Perquimans, Miss Frances Maness, Miss Kate Blanchard, Mrs. I. A. Ward, Mrs. R. M. Riddick, Mrs. Louis Nachman, Miss Mary Sumner,

F. T. Johnson or Max Campbell.

The funds collected here will be sent to the State headquarters and used with other funds to buy the albums and units. It was announced that the record albums cost \$25 and the musical units \$100 each.

Abe Martin, temporary director of the Heriford USO, stated this week that plans call for the opening of a local USO office on February 28. While the contractor has not yet arrived to begin renovation of the Morgan building, which will house the center, the organization plans to have everything in readiness for opening the recreational center just as soon as the contractor completes the work.

Miss Helene Nixon has been named as secretary for the temporary direc-tor, and she will be in charge of the local office when it is opened.

Mr. Martin announced that plans

out this district Tuesday night was termed successful so far as Hertford was concerned by the local office of Civilian Defense.

The black-out was ordered by the Army and began at 9:30 o'clock, with the Red signal, and lasted until 10:10

The officials of the local OCD conducted their usual duties during the black-out and, according to checks all residents of the town cooperated fully during the test.

# **Perquimans Court Teams Continue**

The Perquimans High School basketball team chalked up its fourth and fifth consecutive victories during the past week-end by defeating the Elizabeth City Yellow Jackets on the county's goal, according to the Thursday night by a score of 30 to figures released this week. Sales 15, then came back Friday night to beat the Chowan quintet 42-14.

The Perquimans girls' team also won two games by beating the Elizabeth City girls 20-15, and winning the time the drive closes next Tueseasily from the Chowan sextet 51 to

The Indians completely outclassed the Yellow Jackets in floor work and shooting. Off to a 4-2 lead, the local five were ahead 12 to 6 at the end of the first period, and had an eight be awarded to the person selling the point lead at half time. Each team tallied four points during the third quarter, but the Indians came back strong in the final period to hit for ten points, while holding the visitors to 3. Final score was Perquimans 30, Elizabeth City 15.

The entire Perquimans team played a good brand of basketball and the results of the drive here, but the scoring was evenly divided between Dail, W. B. Jones, White and possibly do so, buy extra bonds dur-

### Construction Work On Housing Project Progressing Rapidly

The construction work on the Hertford housing project is moving along at a rapid rate, with the Player Construction Company in charge of building the new houses on the old trailer camp site.

The frame work for several houses is already in place and the foundation work for many more has already been completed. However, it is not known as yet just when the houses will be completed and ready for occupancy.

It is, also, not known just how the houses will be managed, that is charge of speeding and was fined whether they are to be sold imme-1 \$20 and court costs. distely, or if some of them will be available as rentals. It is thought that as the houses near completion, officials of the Albemarle Housing Company, which will control the project, will let these facts be known

#### Sales Reach Total of \$371,368 on Monday; Series E Bond Sale Slightly Off

Despite reports to the contrary, Perquimans County was the first in reaching its Fourth War Loan quota of the counties in the First Region, it was announced here this week. R. M. Riddick, chairman of the War Finance Committee, stated that he had been informed thus by G. T.

Leinbach, State chairman. Perquimans and Bertie Counties were reported by the Federal Reserve Bank of Richmond to have reached their quotas on February 4, but the local chairman points out that we passed our quota of \$227,000 on January 28.

Sales in this county during the Fourth War Loan, according to present figures, are reaching new highs and may be the greatest war bond sales ever recorded in Perquimans.

Mr. Riddick announced that sales of all types of bonds up to Monday night totaled \$371,368.75. This is \$144,368.74 above the county's quota, or 63 per cent. It is believed that this percentage is higher than in any nearby county.

The sale of Series E bonds, the ones the Treasury is urging individuals to purchase, is slightly behind figures released this week. amounted to \$56,868.75, while the quota is \$68,700. It is believed by the local chairman that sales of E bonds will be oversubscribed by

day, February 15. Persons who are participating in the drive, acting as solicitors, are reminded of the War Bond prizes being offered for the best sales records during the drive. A \$25 bond will greatest amount in bonds, and a \$25 bond will be awarded the person selling the largest number of bonds. Prizes will also be awarded to school children who have been doing a swell job in soliciting and selling

bonds during the Fourth War Loan. The Lal committee is gratified at asks that local residents who can ing the drive. Those who have not purchased bonds as yet, should go the second time this season, were to the bank or postoffice today to and won by the lop-sided score of one of the ways everybody can help
