

Per-Co-Hi Tattler

(This column was prepared by Horace Baker, 10-A.)

We are glad to welcome new students to our school. In 11-A there are three new students, James Butler of Brooklyn, N. Y., W. B. Jones of Norfolk, Va., and Dorothy Oakley. In 9-A there is Mollie Oakley.

Report cards for the first semester were issued February 7.

Craton G. Stephens, class of '38, was awarded the Air Medal for meritorious achievement. He is now serving as bombardier at an outlying Sixth Air Force base in the Caribbean area.

Up until February 7, \$6,000 worth of War Bonds were sold in our school, during the Fourth War Loan Drive.

In geography class the other day someone asked "How do you get radium?" The answer given was "From lighting bugs."

During exams, which were given last week, very funny answers were given. Here is one: Helium is an oil of which butter is made.

More bonds you buy,
The more planes will fly,
If you don't buy a stamp today,
The longer the soldiers will stay.

Students taking commercial courses are glad to have Mrs. Lawrence Towe as their new teacher.

8-3 was in charge of chapel program Friday. Miss Spruill's class of the Hertford Grammar School presented a very enjoyable play, "Genevieve Gertrude." Those taking outstanding parts were: Daisy Monds as Genevieve Gertrude; Katherine Ann Holmes, Betty Jean Winslow, Gene Webb Phillips, Pat Phillips, Nathan Spivey, Edna King, Carol Baker and Sonny White.

Each home room with all students buying at least one war stamp next week will be given a half-hour holiday.

Honor Roll students for the second quarter are as follows:

11-A—Eula Mae Morgan and Clara Smith.

10-A—Bill Murray, Marjorie Rebecca White, Esther Winslow and Myrtle Whedbee.

10-B—Joan Winslow.

9-A—Mary Lina Raper, Faye Winslow and Mary Leland Winslow.

8-1—Reginald Tucker.

A double win was the outcome of the basketball game Thursday night, February 3, between the Perquimans Indians and Squaws against the Elizabeth City Yellow Jackets and Lady Jackets.

The boys won their victory 30-15, with the girls winning the "roughest" game they have played this year, 20-15. Margaret Divers (11-A) scored eleven points, Belle Harding (11-A) five points, and Eunice White (11-A) four points.

Friday night the Indians and Squaws won another double-header, when they smashed the Chowan High boys' team 42-18, and the girls' team, 51-22. Landing and White were high scorers for the girls. Dail scored 19 points, D. Berry nine points, W. B. Jones eight points, and Wood six points for the boys.

PERQUIMANS COURT TEAMS CONTINUE WINNING STREAK

(Continued from Page One)

tors scoreless during the second to lead at half-time 25-3. They tallied 17 points during the second half, while Chowan counted 15 points.

The Squaws, playing both Elizabeth City and Chowan without the services of Mildred Webb, easily outplayed the Elizabeth City team, leading all the way with the outcome of the game never in doubt.

Margaret Divers, Eunice White and Belle Harding tallied Perquimans score, while the Mathews girls and Godwin played well defensively.

Frequent substitutions by Coach Howard Dawkins did much to hold down the score of the local girls in the game with Chowan. The Squaws did a fine job on both offense and defense against Chowan and showed much improvement over previous games.

The local teams will journey to South Mills tonight, where they will play the South Mills high school. Two games are on tap for next week, when the Indians will play return games with Elizabeth City and Central, both away.

DEATH OF INFANT DAUGHTER

Mon. Jean Riddick, infant daughter of Mr. and Mrs. Carroll Riddick, of Portsmouth, Va., died Wednesday, February 2, at Lakeview Hospital, Suffolk, Va.

High Powered FERTILIZERS

The American farmer, doing his "all-out" on the food front, is just as important in the winning of this war as the American soldier, fighting on the battle line with tank or machine gun. He deserves the best weapons, one of which is potash—a plant food essential to all plant growth. Fertilizer manufacturers and mixers in support of the farmer's best interests will see to it that in the fertilizers they sell there is enough potash to meet the recommendations of official agricultural advisers for the soils and crops of your section.
