

## TOWN AND FARM IN WARTIME

## Reminders

**Meats, Fats**—Brown stamps Y and Z in Book Three are good through March 20. Red 10-point stamps A8, B8, C8, D8, E8, and F8, in Book Four are good through May 20. Waste kitchen fats are redeemed at two ration points plus four cents a pound.

**Processed Foods**—Green stamps K, L, and M are good through March 20. Blue 10-point stamps A8, B8, C8, D8, and E8 in Book Four are good through May 20.

**Gasoline**—In 17 East Coast States, A-9 coupons are good through May 8. Sugar—Stamp 30 in Book Four is good indefinitely for five pounds. Stamp 40 in Book Four is good for five pounds of canning sugar through February 28, 1945.

**Tire Inspection Deadlines**—For A-coupon holders, March 31; for C-coupon holders, May 31; and for B-coupon holders, June 30.

**Fuel Oil**—Period 4 and Period 5 coupons are good in all areas through September 30.

**Shoes**—Stamp No. 18 in Book One is good through April 30. Airplane stamp No. 1 in Book Three is good indefinitely. Another ration stamp good for one pair of shoes beginning May 1 will be announced soon.

## New Farm Gasoline Rules

To aid in the drive against black market in gasoline the Office of Price Administrator announced that after April 1 the five-gallon "R" coupon will be invalid at filling stations and may be used only by those who buy gasoline at bulk plants or who have it delivered into storage tanks on their premises. Farmers buying most of their gasoline at filling stations have until April 1 to exchange at local boards their "R" coupons for "E" coupons, which will be accepted at filling stations. After March 15, "R" and "E" coupons in all cases must be endorsed whether for gasoline delivered into storage tanks or picked up at filling stations. However, to ease the task of endorsing these coupons, the consumer buying a large quantity of gasoline may endorse a whole strip or block of coupons with a single signature and address written across the required number of coupons given as a unit for his single purchase. For one gallon of gasoline he continues to endorse one "E" coupon.

## Reduces Ceiling On Flour

The OPA has reduced the ceiling price on all enriched flour by five cents a hundred pounds. About 75 per cent of all family flour is enriched.

## Ammunition Saved For Farmers

While it is possible that by fall there will be sufficient rifle and shotgun ammunition for game shooting, the WPB said that for the time being none can be spared from supplies needed by farmers to protect crops and livestock. No ammunition will be made available for amusement purposes.

## Addressing Letters To Seamen

Many letters to seamen are being improperly addressed, often in violation of national security rules, the War Shipping Administration reports. The address of the steamship company, a specific street address, or a place name of a foreign country should not be given. The proper form to be used is: Seaman's Name; Name of Ship; c/o Postmaster San Francisco, New York, or New Orleans (depending on coast from which addressee sailed). The return

## Kidneys Must Work Well-

## For You To Feel Well

24 hours every day, 7 days every week, never stopping, the kidneys filter waste matter from the blood. If more people were aware of how the kidneys must constantly remove surplus fluid, excess acids and other waste matter that cannot stay in the blood without injury to health, there would be better understanding of why the whole system is upset when kidneys fail to function properly. Burning, scanty or too frequent urination sometimes warns that something is wrong. You may suffer nagging backache, headaches, dizziness, rheumatic pains, getting up at night, swelling. Why not try Doan's Pills? You will be using a medicine recommended the country over. Doan's stimulate the function of the kidneys and help them to flush out poisonous waste from the blood. They contain nothing harmful. Get Doan's today. Use with confidence. At all drug stores.

**DOAN'S PILLS**

address of the writer should appear in the upper left corner with the name of the steamship company in the lower left corner.

## 150,000 Planes Since March, 1941

Of the 150,000 planes produced by the United States since March, 1941, the U. S. has retained 122,000 for its own use and has shipped 28,000 to its Allies the Foreign Economic Administration has announced. The Allies paid cash for almost 7,000 planes and received more than 21,000 under Lend-Lease. The British and Russians produce most of the planes they are using, but American Lend-Lease planes with British, Norwegian, Polish, Czech, and other Allied pilots are playing a vital role against Germany.

## Promote Unrationed Foods

To increase the consumption of unrationed foods, the retail and wholesale food distributing trade and the restaurant and hotel industry are conducting a campaign that will reach its peak during March and sized are oranges, potatoes, eggs, breakfast cereals, enriched bread, soy flour and grits, macaroni, spaghetti. Foods to be specially emphasized, egg noodles, crackers, orange and grapefruit marmalade, peanut butter and coffee.

## Round-up

Total U. S. war casualties as announced March 9 by OWI were: 162,282—including 37,853 dead, 57,228 wounded, 35,565 missing, and 31,636 prisoners of war.

WPB announces that: The ban on two-trouser suits, trousers with pleats, and vests with double-breasted suits, and other clothing production restrictions will not be eased. . . . Restrictions on manufacture of such items as baby rattlers and teething rings from nitro-cellulose plastics have been removed. . . . Phonograph record manufacturers in the second quarter of this year may use one-fourth as much shellac as they used in 1941, due to increased supplies.

The Department of Agriculture announces a 1944 goal of 22 million Victory Gardens, two million more than last year. Achieving the goal would mean 10 million tons of fresh food or 25 per cent more production than in 1943.

## New Ceiling Prices Cover More Goods

Revised dollars-and-cents ceilings on market basket food items for 54 Eastern North Carolina counties will be issued next week and will go into effect March 13, Theodore S. Johnson, district director of the Raleigh office of Price Administration, has announced.

Reason for a revised list now, an OPA statement explained, is because numerous staple articles, notably margarine, macaroni products, peanut butter, syrups and molasses, have been given dollars-and-cents ceilings for the first time. Some reductions in the retail prices will result, he declared.

Another reason for the revision, it was said, is that wholesale grocers who have been operating under OPA price regulations, have also been put under dollars-and-cents ceilings on sales to retailers.

The new community price list, Johnson said, will continue in effect about three months, conforming to a uniform, nation-wide program of revising market basket prices about four times a year.

To obtain the widest distribution of the price lists, OPA is providing consumers for the first time a paper-saving, reduced size list of about one-fourth the dimensions of the list posted in stores. The new list is intended to be folded into ration book size as a convenience for shoppers.

Fac-similes of the small size list will be available to newspapers for easy reproduction and printing.

## Per-Co-Hi Tattler

(Clarine Whedbee, 11-A)

We were delighted to have some of our former students here to visit us last week. They were Guthrie Joliff, '38, and Robert Louis Stevenson, '42. Robert Louis is now taking the V-12 program at the University of North Carolina. Joe Nowell and Willie Winslow were also visitors here.

8-1 and 9-A received a half-day holiday on Friday, March 3, for having sold the largest amount of war bonds.

The Indians defeated the Hobbsville team Tuesday, February 29, with a score of 26-21. High scorers for the Indians were Dan Berry and Thurman White, with a total of 9 points each. This game was the last to be played before the tournament, which will begin Wednesday, March 8, and will last through Saturday, March 11.

The French I class learned a folk song "Alouette" last week and the French II class learned to sing "La Marseillaise." For a couple of days

10-A sounded like a public school music class room.

A very interesting chapel program was given by Mrs. Towse's home room (10-B) Friday, March 3. Evelyn Whedbee gave an interesting talk on "The Life of Alexander Graham Bell," whose birthday is March 3. "Wonder Why's" were read by Lena Mae Sawyer. Horace Baker, our pianist, played several selections.

The enrollment at P. C. H. S. is steadily declining. At present we have 124 girls and 107 boys, a total of 231.

Try-outs were held this week for the parts in the senior play, "The Importance of Being Earnest." The play will be given about the first of April. Miss Eloise Scott will coach the players.

## Bossie's Little Weakness

A city girl visiting her uncle on the farm was watching a cow chewing her cud.

"Pretty fine cow, that," said her uncle, as he came by.

"Yes," said the girl, "but doesn't it cost a lot to keep her in chewing gum?"

## BUY WAR BONDS!
