

TOWN AND FARM IN WARTIME

Meats, Fats—Red Stamps A8 through T8, good indefinitely.
Processed Foods—Blue Stamps A8 through Q8, good indefinitely.
Sugar—Sugar Stamps 30 and 31, each good for five pounds indefinitely. Sugar Stamp 40, good for five pounds of canning sugar through February, next year.

Gasoline—In 17 East Coast States, A-10 coupon, good through August 8.
Fuel Oil—Periods 4 and 5 coupons, good through August 31.
Shoes—Airplane Stamps 1 and 2, good indefinitely.

Meats-Fats Requiring Red Points
 The only items for which red ration points will be needed are beef steaks (except flank steaks), roasts, butter, margarine, cheese, cheese products and evaporated milk, the Office of Price Administration announced. Three red stamps (30 points) will become valid every four weeks instead of every two weeks because of the wide selection of meats available without points. At present, red stamps A8 through T8 are good, but no more stamps will become valid until June 3.

for cleaning precision metal parts and polishing lenses and increased use in hospitals are cutting into civilian supplies to some extent, the War Production Board says, but, with reasonable conservation, supplies in general should meet all essential demands. Production of facial tissues has been maintained at the 1942 rate for the last two years.

Men Overseas May Order Gifts
 American service men overseas may again order Christmas gifts this year for their friends and relatives in the United States, the Office of War Information reports. The men make their selections from catalogues at Army exchanges or Navy ship services and list them on order blanks. The orders are then sent to the United States to be filled and mailed in time for Christmas. WPB recently announced that it will approve manufacturers' requests that are certified by the Army Exchange Service or Navy Ship Service Stores for additional allocations of material or containers necessary for these orders.

Weeds Compete With Crops
 Keeping the weeds down is the most important part of cultivation, say garden specialists of the U. S. Department of Agriculture. To get weeds out of rows of seedling plants it may be necessary to do some weeding with the fingers instead of with a rake or hoe. Killing the weeds when they are small makes the job easier and gives the plants a better chance from the start.

When Your Back Hurts -
And Your Strength and Energy Is Below Par
 It may be caused by disorder of kidney function that permits poisonous waste to accumulate. For truly many people feel tired, weak and miserable when the kidneys fail to remove excess acids and other waste matter from the blood.
 You may suffer nagging backache, rheumatic pains, headaches, dizziness, getting up at night, leg pains, swelling. Sometimes frequent and scanty urination with smarting and burning is another sign that something is wrong with the kidneys or bladder.
 There should be no doubt that prompt treatment is wiser than neglect. Use Doan's Pills. It is better to rely on a medicine that has won countrywide approval than on something less favorably known. Doan's have been tried and tested many years. Are at all drug stores. Get Doan's today.

DOAN'S PILLS

From where I sit... by Joe Marsh

Morale is a Lot of little things

You hear a lot of talk about morale these days... but have you found many people who knew exactly what "morale" was?

Well, I was thumbing through my scrap book the other day, and I came on this verse I'd like to pass on to you...

It's the lift you get from a friendly smile.
 A brand new hat in a jaunty style...
 A letter from home that the post-man brings...
 Morale is a lot of little things.

Isn't it so? Morale is just a lot of little things. A flower in your button hole, a word of greeting,

an occasional refreshing glass of beer with friends.

From where I sit, if we take care to preserve these little friendly things that boost morale, we'll be doing a lot to help our country in its time of crisis.

And we'll boost morale among our soldiers at the front, too. Because it's these "important little things" that they look forward to returning to.

HIS CAR WORE OUT!

Wouldn't you feel badly too if your car wore out? Sure, because, for one thing, you probably need your car to get to work. And yet government figures show that cars are now wearing out at the rate of 6700 a day.

To help keep your car out of the junk yard, change now to summer-grade lubricants. Have all key parts serviced to protect them against excessive wear. Sinclair-ize for Summer Service does this job for you as your car manufacturer recommends. Have your car Sinclair-ized now.
