Doan's Neglects Them!
Nature designed the kidneys to do a nervous job. Their task is to keep the body free of poisons. The set of kidneys is constantly working. When the kidneys fail to function, the blood is not kept clean. Waste that may cause headache, dizziness, nervousness, etc., accumulates. One may suffer from backache, profuse perspiration, attacks of dizziness, going up nights, swelling, stiffness under the eyes—feel tired, nervous, all worn out.

Frequent, scanty or burning urination are sometimes further evidence of kidney or bladder disturbance.

The recognized and proper treatment is a diuretic medicine to help the kidneys get rid of excess poisons body waste. Use Doan's Pills. They have had more than forty years of public approval. Are endorsed the country over. Insist on Doan's. Sold at all drug stores.

The Axis fully realizes the battle being waged against them by the Southern Farmers. They know that you are feeding our fighting forces, the soldiers of our Allies, and our civilians—that you are producing the raw materials that send our munitions output soaring.

And everyone knows that your fighting spirit—conquering labor shortage and many other handicaps—is part of the American will-to-win that will mean Victory.

In the next hour, 280 cars will wear out and must be junked. Surveys show that 280 cars wear out every hour of every day—a total of 6700 every twenty-four hours. Don't let your car be one of them. Instead, give it the care it needs to last until you can get a new one.

Right now that care should include changing over winter-grade lubricants to lubricants of the right grade for summer. All parts should be serviced to save wear. To do that job as your car manufacturer recommends, Sinclair Dealers offer Sinclair-ize for Summer Service. Have your car Sinclair-ized now.
