WELL, WE HAVE A PERSONAL SINCERE INTEREST IN YOUR SUCCESS!

**PERSONAL INTEREST**

In the days of Shakespeare's *Timon of Athens*, lending was a cold-blooded proposition. For us it's a warm, human relationship in which we have a sincere personal interest. Our bank is interested in your success—not just in the interest we get on the loan. We think our attitude is best revealed by the helpful service we try to give to farmers who borrow here. Ask any of them. Better still, borrow here and see for yourself.
