FRIDAY, JUNE 29, 1945.

Less Paper And Wood Products Scheduled

Growing pulpwood and lumber shortages will be felt by everyone in North Carolina during the summer and autumn as more drastic reductions in civilian supplies of familiar paper and wood products are enforced by the government to meet increased demands of the armed forces. I. O. Schaub, State College Extension Director and Chairman of Gov. Gregg Cherry's emergency committee on Forest Products Production, warns:

Curtailments ordered by the War

Production Board will affect householders, farmers, school children, merchants, business firms and the average citizen alike, according to Dean Schaub. He makes an urgent plea to farmers, producers, suppliers, woodsmen and citizens in non-essential occupations to lend their assistance in the present crisis by producing more pulpwood and lumber now; first for critical war requirements and secondly to assure themselves of adequate supplies for home front needs.

"Reduction in allotments of pulpwood products, particularly paper, by the War Production Board, are the direct result of enormously increased demands of the military for the all-out fight against Japan and the steadily lessening volume of pulpwood available to mills," he explains. "These reductions will be felt in every department of domestic life during the third quarter of the year, beginning June 1 and continuing through September. Even more drastic cuts are certain unless pulpwood shortages can be overcome by vastly increased production."

Small Moth Causes Damage To Clothing

The small moth that avoids the flame and then hastily disappears in the darkness is generally the one that lays the eggs and causes the greatest damage, say Extension clothing specialists at State College. There are many moths that flutter around the lights in the house but these should not be given the same attention as the tiny moths that try to avoid the light.

Millions of dollars worth of clothes and fabrics are ruined by moths every year and under the present wartime conditions this should be stopped, say the clothing specialists. They urge everyone to closely follow

the recommendations of the entomologists in fighting the moth.

Before putting clothing away for the summer they should be thoroughly sunned, and the seams and pockets should be carefully brushed.

Store the clothing in a tight container and put one pound of naphthalene flakes or PDB crystals to every one hundred cubic feet of space.

If the floor and cracks in closets are kept free of lint and dust, moths will not breed so easily. A good fly spray can be used to kill any moth worms in cracks and corners.

Vacuum cleaning is especially helpful in protecting rugs, chairs and the like.

LESS N. C. WATERMELONS

Production of watermelons in North Carolina was indicated on June 1 to be 2,375,000 melons, compared with 2,700,000 melons produced in 1944 and the 10-year average of 2,202,000 melons. Production for the 12 states harvesting watermelons in the early summer period is estimated at 52,916,000 melons, or about 9 per cent more than the 48,573,000 melons harvested last year, and 18 per cent larger than the average of 44,864,000 melons harvested during the 10-year period of 1934-43.

That Nagging Backache
May Warn of Disordered Kidney Action
Modern life with its hurry and worry, irregular habits, improper eating and drinking—its risk of exposure and infection—throws heavy strain on the work of the kidneys. They are apt to become over-taxed and fail to filter excess acid and other impurities from the life-giving blood.
You may suffer nagging backache, headache, dizziness, getting up nights, leg pains, swelling—feet constantly tired, nervous, all worn out. Other signs of kidney or bladder disorder are sometimes burning, scanty or too frequent urination.
Try Doan's Pills. Doan's help the kidneys to pass off harmful excess body waste. They have had more than half a century of public approval. Are recommended by grateful users everywhere. Ask your neighbor!
DOANS PILLS

LONG-LEARY

Mr. and Mrs. R. W. Leary, Sr., announce the marriage of their daughter, Mary Magdalena, to Octavianus Coke Long, Jr., on Wednesday, July 11, at 8 o'clock. The ceremony will be solemnized in the Rocky Hook Baptist Church. The public is invited to attend.

RESOLUTIONS OF RESPECT

Whereas, a Wise Providence has removed by death an esteemed member of this Rotary Club, Mr. Charles Whedbee, who departed this life on the 26th day of June, 1945.

Charlie Whedbee was a charter member of the Hertford Rotary Club and served on all important committees during the past twenty years. In all capacities he served faithfully and well and rendered most valuable services. The presidency of the club was offered him a number of times, but he always refused with the excuse that he could serve better in other ways.

Mr. Whedbee was a man of sterling worth and sound judgment. His presence, counsel and advice will be greatly missed by all the members

of our Rotary Club.

Now, therefore be resolved, by the Hertford Rotary Club at its regular meeting on June 26th, 1945:

First: That our deepest sympathy is hereby extended to the bereaved family of the deceased in their deep sorrow and great loss.

Second: That a copy of these resolutions be sent to the family, the Perquimans Weekly and a copy be spread on the records of the Hertford Rotary Club.

R. M. RIDDICK,
R. S. MONDS,
A. W. HEFREN,
Committee.

HOSTESS TO BRIDGE CLUB

Mrs. R. E. Vickers was hostess to her bridge club Wednesday evening at her home. Those playing were Mesdames W. E. Drake, C. M. Williford, F. B. Stephenson, Al Kenton.

ATHLETES FOOT GERM

Kill It For 35c
"Biggest seller in years," say druggists everywhere. Why? Te-ol is more than a surface application. Contains 90% alcohol. Makes it penetrate. Reaches more germs faster. Apply full strength for itchy, sweaty or smelly feet. If not pleased, your 35c back. Today at Roberson's.

Ralph Wallace, Dave Fuller, Miss Frances Newby and Miss Joyce Harrell. High score prize went to Mr. Kenton, low to Miss Newby and the traveling prize was awarded Miss Harrell. A sweet course was served by the hostess.
