FOR THE RECORD

Movements for the public good are fre-
 quently launched with great enthusiasm,
 but sometimes die out because sustained
 effort is lacking.

This is not true of the North Carolina
 beer industry's self-regulation program
 to maintain wholesome conditions in the
 retail sale of this beverage of moderation.

Continued with diligent effort since its
 launching in May, 1939, our Committee's
 program has won the praise and support
 of the law enforcement officers, the press
 and the public.

We promise there will be no let-up in
 our efforts.

WOULD YOU GAMBLE EVERYTHING YOU OWN ON ONE CARD GAME?

The Answer, of Course Is NO

Unless you have adequate Automob-
 ile Insurance, you are gambling
 more than that every time you move
 your car.

And insurance costs so very little
 considering how much it can save.
