Lady's Stomach Was Like A Gas Factory; Meals Turned To Gas

One lady said recently that her stomach used to be like a "gas factory." That is, when she ate a meal it seemed to turn right into gas. She was always bloated, had awful stomach gas pains, daily headaches, and constant irregular bowel action. Now, however, this lady says she is FREE of STOMACH GAS and she says the change is due to taking INNER-AID. Her meals agree with her. No gas or bloating after eating. Headaches and constipation are gone. "Oh! what relief!" states this lady. "Why don't other gas and constipation sufferers get INNER-AID?"

INNER-AID contains 12 Great Herbs; they cleanse bowels, clear gas from stomach, act on sluggish liver and kidneys. Miserable people soon feel different all over. So don't go on suffering! Get INNER-AID. Sold by all Drug Stores here in Perquimans County.
