**Lady's Stomach Was Like A Gas Factory; Meals Turned To Gas**

One lady said recently that her stomach used to be like a "gas factory!" That is, when she ate a meal it seemed to turn right into gas. She was always bloated, had awful stomach gas pains, daily headaches, and constant irregular bowel action. Now, however, this lady says she is FREE of STOMACH GAS and she says the change is due to taking INNER-AID. Her meals agree with her. No gas or bloating after eating. Headaches and constipation are gone. "Oh! what relief!" states this lady. "Why don't other gas and constipation sufferers get INNER-AID?"

INNER-AID contains 12 Great Herbs; they cleanse bowels, clear gas from stomach, act on sluggish liver and kidneys. Miserable people soon feel different all over. So don't go on suffering! Get INNER-AID. Sold by all Drug Stores here in Perquimans County. adv.

**a good man to know**

Probably you know your nearby U. S. Royal Dealer. He's a good friend and a good man to know... especially these days when we're all faced with the job of making our tires last until we can get new U. S. Royals.

He may operate a super-service station and employ dozens of helpers. He may own a small one- or two-man shop in a rural area. But regardless of size, his neighbors and customers look to him as the best tire man in town. That is why he was selected as a U. S. Royal Dealer.

**The best tire man in town!**

He is a good man to know because he has made tires and tire care his life work.

When you go to him with a troublesome tire problem, he finds the answer with the skill of a highly trained tire service engineer. He knows the latest and best in repair and maintenance methods... He's not a Jack-of-all trades... but a master of one.

When it comes to having the right tools and the latest information on how to do the job right, he proves his right to the title... "The best tire man in town."

And to back him up with scientific and technical help, a corps of United States Rubber Company engineers brings him up-to-the-minute knowledge of factory service methods direct from the factory.

**A good man to do business with!**

Like every good neighbor, your U. S. Royal Dealer has community pride and personal ambition. His success or failure as a local, independent merchant

depends on how well he serves you. He has a natural, logical pride in the tires he sells. You've probably heard him tell from his own experi-

ence the outstanding service that U. S. Royals have given in your community during the war.

When he tells you about the growing preference U. S. Royals have earned with service records often equalling and even exceeding the performance of prewar tires, you see the sparkle of personal satisfaction in his eye.

If you know your U. S. Royal Dealer, you'll agree he's a good man to know. If you don't know him, get acquainted soon. He is the most important man in United States Rubber Company's post-war plan to give you the finest tire service ever offered to American motorists.

**He has a good plan, too!**

He recognizes his responsibility to help you keep your tires rolling until you can get new U. S. Royals. He offers you this specific plan to do that job:

1. He invites you to drive in today for a thorough inspection of your present tires. If you are in urgent need of new tires, he will show you how to get them at the earliest possible moment.
2. If your needs are not immediate, he will use his expert knowledge of tire care to help you keep your car on active duty until new U. S. Royals are available.

**HOLD OUT FOR U. S. ROYALS**

Register your tire needs with your U. S. Tire Dealer now. He's a good man to know. He can help you better than any other man in town to hold out for U. S. Royals.
