

### New Plans Give Higher Corn Yields

Improved methods of fertilization and use of hybrid seed both gave higher yields of corn on the W. O. farm near Greenville in Pitt County this year, says County Agent Hendrix of the State College Extension Service.

In a demonstration all of the acreage produced 400 pounds of 5-7-5 at 100 bushels and was topdressed with

700 pounds of 10-0-10 when the corn was knee high. Half of the area was planted to N. C. T-11 and the remainder in an average open pollinated corn. The hybrid produced 67.4 bushels per acre and the open pollinated corn yielded 44.6 bushels, according to Hendrix.

On an adjoining plot the fertilization was 200 pounds of 4-8-4 and 200 pounds of nitrate of soda. Under these conditions the T-11 hybrid produced 48 bushels and the open pollinated corn yielded only 21.8 bushels. Both areas were planted at the same time and cultivated in the same manner, Hendrix says.

### NOTICE OF ADMINISTRATION

Having qualified as Administrator of the estate of Mrs. Hilda P. Moran, deceased, late of Perquimans County, North Carolina, this is to notify all persons having claims against the estate of said deceased to exhibit them to the undersigned at Hertford, N. C., on or before the 10th day of December, 1946, or this notice will be pleaded in bar of their recovery. All persons indebted to said estate will please make immediate payment. This 10th day of December, 1945. J. P. MORAN, Administrator of Mrs. Hilda P. Moran dec14,21,28Jan4,11,18

### Sentinels of Health

Don't Neglect Them! Nature designed the kidneys to do a marvelous job. Their task is to keep the flowing blood stream free of an excess of toxic impurities. The act of living—life itself—constantly producing waste matter the kidneys must remove from the blood if good health is to endure. When the kidneys fail to function as Nature intended, there is retention of waste that may cause body-wide distress. One may suffer nagging backache, pounding headache, attacks of dizziness, getting up nights, swelling, puffiness under the eyes—feel tired, nervous, all worn out. Frequent, scanty or burning passages are sometimes further evidence of kidney or bladder disturbance. The recognized and proper treatment is a diuretic medicine to help the kidneys get rid of excess poisonous body waste. Doan's Pills. They have had more than forty years of public approval. Are endorsed the country over. Insist on Doan's. Sold at all drug stores.
