We desire to distribute as equitably as possible all shipments of Nylon Hose which we may receive in the near future. We want each lady in Hertford and surrounding territory to obtain at least one pair of Nylons from our Hosiery Department. Therefore, we have made arrangements for the ladies above sixteen to register for Nylon Hose in our store during the period noted above by simply signing a card and indicating size of hose. Each card will be numbered consecutively and when Nylon Hose arrive we will mail postcards to as many customers as there are pairs of Hose in our shipment. The cards will be sent to the first group of names appearing on our numerical registration list. Then when another shipment of Nylons arrives additional cards will be mailed to the next group of names registered numerically and so on until each lady has a chance to secure a pair of Nylons.

Registration will be closed on February 20th; no names will be accepted after that date.

No lady may register more than once, nor may she register for anyone other than herself. Men will not be permitted to register.
