"JES' SWING IT NATCHEL, SONNY"

THEY'RE HERE!

YOUR SET OF 8 UNCLE NATCHEL PICTURES IN FULL COLOR

SEE YOUR FERTILIZER MAN NOW!

Ask him for your set of 8 Uncle Natchel pictures in full color! But you want to act fast. The supply is limited. These famous pictures by the celebrated artist Hy Hintermeister are suitable for framing. No advertising on them. And they're free! No obligation. Just ask your fertilizer man. But do it now!

NATCHEL NITRATE IS JES' NACHELLELY GOOD!

Sonny will get to be a right good hand with an axe, soon as he's learned to handle it natchel-like. The quickest way to learn things, I always figure, is to take nature into your calculating! Us farmers, specially with nature as our partner - has to think things out the natchel way. Now take fertilizer. It seems the natchel kind generally works the best. At least, for the last hundred years farmers 'round here has been growing mighty good crops with it. Natchel Chilean Soda comes right out of the ground where Mother Nature put it. And it leaves the land sweeter every time you use it. That's why we like to use Chilean Nitrate of Soda on our crops. Just being natchel seems to make it different from any other kind.

Natural CHILEAN NITRATE of SODA
