HIGH SCHOOL GRADUATES COMMUNICATIONS TRAINING WITH GOOD PAY

Excellent training in all phases of communication—radio, radar, telephony, telegraphy, photography—are given in U. S. Army Signal Corps technical schools. Because of the highly confidential nature of much Signal Corps research, many subjects are taught which are not available to civilians anywhere at any price.

A 3-year enlistment in the Army or Air Force gives a man a choice of any branch of service, including the Signal Corps, in which there are openings. Once accepted, every man has the opportunity to qualify for technical school training. In addition, there's high pay, steady employment, good food, clothing, quarters, and travel. All of this is yours—plus a chance to save up to \$2,000 during your enlistment. Here's your chance for a good start in life, with security as your goal.

Get the full details without obligation at your nearest U. S. Army and Air Force Recruiting Station, 336 Carolina Building, Elizabeth City. This is your chance for a real step forward.
