Her full length veil of imported illusion was attached to a Juliet cap, embroidered with seed pearls, and caught at the sides with orange blossoms. Indians Look Toward Recorder's Court Game At Williamston On Friday Afternoon

Team Suffered Loss to Plymouth Last Friday By 18-0 Score

Coach Joe Levinson has been putting the Perquimans Indians football team through a series of heavy drills this week in preparation for the Albemarle Conference game with Williamston this week. The game will be played on the Williamston field beginning at 2:30 o'clock Friday afternoon.

Coach Levinson is expected to start the same line up against the Williamston team as started in the Ahoskie game two weeks ago. Jack Symons and L. C. Elliott, both of whom saw little action in the game at Plymouth last Friday night, are reported as recovered from minor injuries and will play today.

The Indians dropped a hard-fought game to Plymouth 18-0, but the team was handicapped in playing on a poorly lighted field and without the services of Symons and Elliott most of the game. Plymouth scored all three of its touchdowns in the second half of the game. Basnight scored twice in the third period and Ange dashed 35 yards in the final period for the third tally. Basnight's second score came after he had intercepted an Indian pass and raced 60 yards to the goal line.

Both teams appeared about evenly matched throughout the game but Plymouth took advantage of the breaks which came its way and coasted to victory during the final period. The Indians' offense was handicapped due to the poor lighting system and the defense was also fooled several times because the Plymouth players wore white helmets and the game was played with a solid white ball.

The Perquimans Band accompanied the footballers to the game, using its bus for the first time. The band gave an exhibition of marching during the half time and played for a 15 minute period prior to the start of the game.

As a result of the loss to Plymouth the Indians dropped into second place in the standing of the Albemarle conference.
