Better Buy a New Ford BATTERY

For Quick Winter Starts
Don't start the winter with a worn-out, run down battery—you'll only invite trouble. Let us check your battery scientifically according to its plate area and tell you how much life is left in it.

For All Makes of Cars
If you need a new battery, get a dependable Ford battery. They come in five different sizes fit all makes of cars and they're big, powerful, heavy-duty types that start your car quicker and outlast ordinary batteries.

WRITTEN WARRANTY
Every Ford battery we sell carries a written warranty covering replacement or adjustment. Our battery stock is ample now—but don't wait too long. See us today!

Thanksgiving 1947

Dear Friends and Customers:—

As Thanksgiving 1947 comes upon the scene, I am pausing to reflect the 50 years I have spent in the furniture business and I want to express my sincere thanks for the blessings we have received while engaged in business in this community. This is the 33rd Thanksgiving we have observed as operators of our furniture store in Hertford and we count our blessings greatly. We want you to know we appreciate the fine patronage you have given us throughout these years which has enabled us to grow and prosper among you.

Looking toward the future, and realizing that the time was not far distant when I could no longer remain active as I used to be, the first of this year we formed the W. M. Morgan Furniture Company, and Miss Helen Morgan and B. C. Berry entered the firm as active partners. During the past year we have enjoyed the best year ever, since we opened our store. We give you good folks the credit for making this possible.

Words nor printer's ink can express our thanks to the people of this trade territory for the fine patronage bestowed upon us. We take this opportunity to express to you our sincere thanks.

I hope that each and everyone of you have a most enjoyable Thanksgiving, in this year of 1947.

Yours sincerely,
W. M. MORGAN
