

Minutes Of Meeting Board Of Education

The Board of Education met February 2, 1948, with all members present. Mr. Levinson, physical education instructor in the Perquimans County High School, appeared before the Board in the interest of a gymnasium. Mr. Levinson explained a plan whereby a gymnasium could be added to the high school by enlarging the stage without much cost to the county.

The Board approved the plan and appeared before the Board of County Commissioners and requested funds for this project. Due to the fact that the county did not have sufficient funds, the request was not granted.

At the meeting before the Board of County Commissioners, the need for a new building at Winfall for the colored school was discussed. The Board of Education later passed a motion requesting the County Commissioners to call a special election for the purpose of issuing bonds necessary for the construction of a building for the colored race at Winfall, and to construct a gymnasium at the Perquimans County High School.

F. T. JOHNSON,
Secretary.

"AS I KNEW THEM"

On January 27, 1948, the death angel entered the home of Mrs. Lelia J. Winslow and bore her sweet spirit to the arms of her Savior. On February 6, 1948, just a little more than a week later, her beloved husband followed her to that Great Beyond. Together today they are happy, I know, around that Great White Throne.

This dear Christian couple meant much to their community and to all who knew them. They were both members of Up River Friends Church and until a few years ago, when they became physically unable to attend services regularly, they were active in all church affairs.

She, Mrs. Winslow, was a charter member of the Woman's Missionary Society and was very active and talented, especially in literary ability, expressing thoughts often in poetry. She was always cheerful and optimistic, and showed a deep concern for the work. Her bright smile and ardent spirits were truly an inspiration to us all. Her deep Christian faith meant much to all. Her work lives on.

He, Mr. Winslow, exemplified Christian consistency, and in his quiet, gentle, cheerful way lived a life of love and service, which was an inspiration to all who knew him. His tender love and care for his beloved help-mate in her declining years was touching.

They always showed a spirit of neighborliness and many enjoyed

their hospitality. Especially do friends and playmates of their children carry with them the memory of happy hours spent in their home. They always showed a personal interest in all with whom they came in contact, it seemed, and their influence always seemed uplifting.

In behalf of all who knew them, I think I can say, "We loved them." We cannot feel even now that they are so far away. We fancy only a veil between us and the Great Beyond, where they linger.

To the children, let me say "Mother and Dad have just gone Home." With the sweet smile as of days gone by, I can almost see them now with open arms—awaiting us, beckoning us on. God bless you and keep you until we join them in that Beautiful Land, the Home of the Soul.

MARY W. WINSLOW.

MRS. LELIA JOLLIFF WINSLOW

As representatives of the Woman's Missionary Society of the Up River Friends Church, we wish to pay loving tribute and our deepest respect to the memory of Lelia J. Winslow, one of our faithful, loving and devoted members, whose sweet spirit took its flight to that Heavenly Home January 27, 1948.

She was a charter member of the society, and until her last few declining years was very active, showing much talent, especially along the lines of literary ability. She was always cheerful and optimistic, and manifested a deep concern for the work. Her bright smile and ardent spirits were an inspiration to all with whom she mingled.

In sincere appreciation of her devout Christian faith and loyalty, we bow in humble submission to the Divine will and extend to the family and loved ones our deep sympathy and commend them to her God.

The committee wishes this tribute to be recorded in the minutes of the society, a copy sent to The Perquimans Weekly, and one to the family of the deceased.
