

Perquimans-E. City Plan Grid Pack

The Albemarle will have an annual Thanksgiving Day football program if plans now under discussion between officials of the Perquimans High School and Elizabeth City High School are completed.

E. C. Woodard, principal of the local school, announced this week that agreements whereby Perquimans and Elizabeth City teams will play each Thanksgiving Day are now under consideration and it appears that contracts will be signed binding the pact. According to the plan the game will be played each year with the teams acting as joint hosts and dividing equally the receipts after expenses are deducted. The plan calls for the first game in 1948 to be played at Elizabeth City and the second year at Hertford. Each year thereafter the teams will alternate the game between the two towns.

Perquimans Baseball Directors Met Tuesday

Directors of the Perquimans County baseball team met in the Court House at Hertford Tuesday night for a report from various members in regard to the plans for the team for the coming season in the Albemarle League. Joe H. Levinson, business manager of the club, reported that the local directors have contacted a number of outstanding players regarding contracts and some of these players are expected to be signed shortly. At the present Ed McCarthy, catcher for Duke University, is the only player signed to a local contract. McCarthy will manage the local club this season.

Local players definitely counted on to play for the Indians this summer are Harmon Young, Red Kimbrell, Bud Cayton and Joe Nowell. Jack Craig and several other Perquimans players may be lined up on the local roster.

SUNDAY SCHOOL LESSON

(Continued from Page Seven)
"We each have our march to make in life, often through dark and cold ways, and we must render in our account to the great Commander alone. It will not help the worldly old man

in that way that he has a child with aims but molded and ingrained in God's image in heaven, nor the virtuous young man that he has a prayer of the life it has left behind. Who will follow? Each of us must know pass into the unseen world, not simply sooner or later, for ourselves."
