It should be pointed out, in this connection, that Congress directed that \$3,000,000,000 of the surplus be set up on the books as an advance credit against spending in the new fiscal year. Therefore, the available surplus is reduced by the amount set up for the special purpose.

By the end of May, the public debt had been reduced to a new postwar low of \$252,246,000,000. There is no prospect, however, of any reduction at the rate of 1948 because qualities of personal character. E lower taxes and larger appropriations may even cause an increase in the public debt during the fiscal year beginning July 1st.

This is the prediction of the Alexander Hamilton Institute, which at- friendship no doubt put courage at tempts to keep up with business con-fortitue into David's heart. ditions and gives its clients reports on governmental affairs. The statement is somewhat remarkable in view thing. of the assertions made, during the athan and David lasted as long fight for tax reductions, that it would both lived. When David received the be possible to reduce income taxes news that both Saul and Jonatha
