W. M. S. MEETS

The Woman's Missionary Society of the Baptist Church met Monday night, July 19. Mrs. I. A. Ward presided and called the meeting to order by singing the hymn "Sweet Hour of Prayer." The minutes of the last meeting were read and reports called for. Roll was called with Circle No. 2 leading in members present. After singing the hymn "O Safe to the Rock," Mrs. Ward turned the program over to Circle 2 and Mrs. Johnson presided and gave the Scripture lesson. Mrs. Ben Wood offered prayer. Mrs. Charles E. Johnson rendered a beautiful solo, "Prayer is the Soul's Sincere Desire."

A talk on "The Rural Church and Its Needs" was made by the Rev. C. W. Duling. The group was then favored with a duet by Mr. Lessie Winslow and Mr. Jordan, which was very much enjoyed by all. Mrs. Ward closed the meeting with prayer.

Sentinels of Health

Don't Neglect Them!

Nature designed the kidneys to do a marvelous job. Their task is to keep the flowing blood stream free of an excess of toxic impurities. The act of living—We live!—is constantly producing waste matter the kidneys must remove from the blood if good health is to ensue. When the kidneys fail to function as Nature intended, there is retention of waste that may cause body-wide distress. One may suffer nagging headache, persistent headache, attacks of dizziness, getting up nights, swelling, puffiness under the eyes—feet tired, nervous, all worn out.

Frequent, scanty or burning passages are sometimes further evidence of kidney or bladder disturbance.

The recognized and proper treatment is a diuretic medicine to help the kidneys get rid of excess poisonous body waste. Use Doan's Pills. They have had more than forty years of public approval. Are endorsed the country over. Insist on Doan's. Sold at all drug stores.

We're building ONE EVERY 45 SECONDS

but that's not fast enough for America!

In just two years we've built and sold more fine cars than any other new manufacturer in automobile history.

Why? Because America fell in love with the KAISER and the FRAZER on sight. Folks are streaming into Kaiser-Frazer showrooms and learning from present owners how dependable these two great cars are. They're learning—from people who drive them—how soundly they are built... how economical they are... how much enjoyment there is in owning one.

THESE ARE THE MOST-COPIED CARS IN AMERICA, road-proved by 250,000 owners in two billion miles of driving.

Because plenty of Americans insist on comfort, convenience, style and value, traditional leaders had to "mash gears" as Kaiser-Frazer became the fourth largest manufacturer of motor cars in the world in two short years.

Why wait? Enjoy your new car this summer. You'll get fair treatment and highest trade-in allowance.
