

Examination Called For Rural Carrier At Tyner Post Office

The United States Civil Service Commission has announced an examination to fill the position of rural carrier at Tyner, North Carolina.

The examination will be held at Edenton and receipt of applications will close on November 24, 1948. The date of examination will be stated on admission cards mailed to applicants after the closing date for receipt of applications.

The salary of a rural carrier on a standard daily route of 30 miles is \$2470 a year, with an additional \$20 a mile a year for each mile or major fraction thereof in excess of 30 miles. Salaries on routes of shorter length or of less frequent service are proportionately lower. All rural carriers must furnish and maintain at their own expense all necessary vehicle equipment for the prompt handling of the mails, but they are allowed an equipment maintenance of seven cents on the basis of the daily mileage scheduled (this amount to \$640.50 per year for a 30-mile route.) They are permitted to use motor vehicles, but are required to furnish sufficient equipment to handle postal

business property. The examination will be open only to citizens of, or persons who owe allegiance to, the United States who are actually residing in the territory of the post office where the vacancy exists, who have been actually residing there for one year next preceding the closing date for receipt of applications, and who meet the other requirements set forth in Form AN-1977. Both men and women, if qualified, may enter this examination, but appointing officers have the legal right to specify the sex desired in requesting certification of eligibles.

Form AN-1977 and application blanks can be obtained from the vacancy office mentioned above or from the United States Civil Service Commission at Washington 25, D. C. Applications must be on file with the Commission at Washington 25, D. C., prior to the close of business on the date specified above.

Hertford Bears Triumph 20 To 0 Over Rich Square

The Hertford Bears football team walked over an outclassed Rich Square eleven 20-0 Friday afternoon on the local field before approximately 450 fans who had gathered to witness the homecoming game.

A pre-game parade which was led through downtown Hertford and back to the school by the snappy P. W. Moore High School Band of Elizabeth City was the highlight of the afternoon. The band was followed in the parade by several floats, one of which represented American Education Week. Others included a 4-H float, Book Week and a Tom Thumb wedding party.

The Bears got off to a good start in their homecoming contest when Parker took the ball wide around his right end in the first period to hit pay dirt, and Satterfield, the fast Hertford quarterback who played for keeps throughout the game, went over on a quarterback sneak for the extra point, thus the first frame ended with the Bears leading 7-0.

The game slowed up considerably in both the second and third periods with both teams fighting hard, but in the final period the Hertford boys went wild and "Satterfield's" pass to Foreman from the 35-yard line was good for the second tally. The extra point was tied to this touchdown by Wilkins on a line plunge. The final marker was registered shortly before the game ended when F. Sutton went around his right end from the 25-yard line after the Bears intercepted a Rich Square pass to hit pay-dirt. The try for the extra point was no good, thus the game ended 20-0 in Hertford's favor.

Among the players that were outstanding, Copeland, Parker, Satterfield, Foreman, F. Sutton and Wilkins played good ball for Hertford and Garris, Harrell and Boughan looked good for the W. S. Creecy High School from Rich Square.

PCHS Students Hold Sadie Hawkins Day

The Student Council of Perquimans High School observed Sadie Hawkins Day on November 18 and the two days to follow will be known as Twirp Season. On Sadie Hawkins Day five races were held on the PCHS football field with each grade having an individual race. The way the races were conducted was the girls lined up in one line and the boys in another line five yards in front of the girls. Then a whistle was blown for the race to begin, and when a girl caught a boy he is her date for the next three days. Each girl pinned a card on her date which reads as follows: Hands Off! and the name of the girl who caught the boy. Then the girl can take the boy to the Sadie Hawkins dance the Student Council is giving at the VFW Club that night.

The drinks, refreshments and the music are all paid for by the girls. Incidentally, the girls and the boys for the dances and a boy cannot ask a girl for a dance.

On the next night the girls are to take their dates to the pep rally and afterwards to movie or to a weiner roast.

On Friday night, November 20, the entire school will turn out with their Twirp season dates for the Manteo-Perquimans football game and a dance will be given at Bagley's afterwards. Much stir and excitement has been aroused in the school by the event.

W. I. L. Group Elects Officers At Meeting

The Perquimans County branch of the Woman's International League of Peace and Freedom met October 31st at the home of Mrs. Ernest White. The minutes of the previous meeting were read and approved.

The following officers were elected or re-elected to serve for the coming year.

President and treasurer, Miss Mattie Saunders; vice president, Mrs. P. C. White; secretary, Mrs. Dempsey Winslow.

It was reported that food packages and \$80.00 in cash had been sent to needy persons in Europe during the past year.

Attention was called to United Nations Week and all members were urged to become more familiar with what is being done through this channel for world peace, and with what has already been accomplished. In connection with this, the president made the following statement:

"Never before was peace more important. Every woman should be working for peace."

As an inspiration, attention was called to Jane Adams, one of the founders of the W. I. L. for Peace and Freedom, and who at one time had the honor of receiving the Nobel Peace Prize. A talk on her work at Hull House was given by the president. A list of books that she had written and a few quotations from her writing were also mentioned.

Each member was urged to try to secure a new member and thus double the membership during the coming year.

Secret study, silent thought, is, after all, the mightiest agent in human affairs. —Channing.

The important thing in life is to have a great aim, and to possess aptitude and the perseverance to attain it. —Goethe.

Sunday School Lesson

(Continued from Page Seven) hands clean and his heart pure. For such, God, who is the ruler of the Universe, opens wide the gates of Zion.

Probably the best-loved of all the Psalms is the Twenty-third Psalm.

The following poems were also presented: "A Song of the Sea" and "The Song of the Sea," its combination of gentleness and strength, the beauty and unflinching courage in facing the darkest sides of life, combined with a perfection of form, make its appeal practically irresistible.

Space does not permit an outline of all the Psalms which have meant so much to mankind throughout the ages or to the other examples of poetry throughout the Bible. Probably the outstanding example in the New Testament is the Magnificat—the Song of Mary—found in Luke 1:46-55. If you are not familiar with this beautiful poem, be sure to look it up.
