Peanut Growers, Attention!
SELL YOUR PEANUTS FOR THE HIGHEST PRICE YOU CAN GET
BUT... Be Certain You Get As Much As You Are Entitled to Under the Government Price Support Schedule.
CHECK YOUR GRADES FOR MEAT CONTENT AND SIZE... GET AT LEAST THE GOVERNMENT SUPPORT PRICE

If You Are In Doubt, There Is a Government Warehouse Near You!

You are entitled to all you can get for your peanuts. The Federal Government, through the Price Support Program enacted by Congress, guarantees you a price of 90 per cent of parity. In conformity with this law, schedules of minimum prices, according to meat content and size, have been worked out. If you sell your crop to a commercial buyer or mill, be certain that you are paid these government prices or better. If you are not offered the government support prices or better, one of the warehouses operated for the Government by the Growers Peanut Cooperative, Inc., will be glad to accept your peanuts at the government prices, giving you fair grades and weights. Get all you can for your peanuts; check your grades before accepting offers; consult your Government Warehouseman or your County Agent, if you are in doubt.
