1. With over \$291,580,000.00 available for construction and improvement of roads in the next 4 years from normal sources, do you think it is necessary to borrow \$200,000,000.00 more?
2. Do you want your tax dollars to go for interest payments instead of roads?
3. Do you want your children to be still paying off your road debt?
