300,000,000 People For Peace

A "bargain policy for peace" is what Senator Arthur H. Vandenberg, Michigan, calls the \$1,314,010,000 arms aid program. He says it will be an investment in "prime and vital peace insurance."
 The Michigan Senator advocates passage of the bill now before the Senate, although he did not favor the original arms aid bill presented by the Administration. He objected to the power left in the White House to distribute our military aid. Nevertheless, he thinks that the present bill has been rewritten sufficiently to justify his support.
 Mr. Vandenberg denies that the program involves an arms race because, he says, it only aims to equip existing forces. Moreover, no amount of arms, in his opinion, can compare, as a war deterrent, with the warning found in Article V of the twelve-nation North Atlantic Pact.
 This article, according to the Senator from Michigan, notifies potential aggressors that they will be confronted, not with the billion dollars' worth of arms that would be sent to Europe, but with "all the resources of 300,000,000 people."

Let's Prevent Fires

Early in October, practically every organized community in the United States will give some thought to fire prevention because the annual week to urge us to be careful, in connection with fires, returns on October 9th.
 It is estimated that fires burn up \$2,000,000 in property and take approximately thirty lives every twenty-four hours. Not all of this loss could be prevented but much of it is the result of negligence, careless and plain foolishness.
 The purpose of Fire Prevention Week is to call to the minds of all citizens the danger of local fire hazards, as well as to urge them to inspect their premises for the purpose of making them less likely to encourage fire. Incidentally, October 9th is the anniversary of the great Chicago fire of 1871, which should serve as a reminder of what can happen when flames begin to destroy.

It is interesting to report that the fire loss, during the first six months of 1949, was nearly ten per cent below the same period in 1948. Let us keep up the good record, go it better and do all that we can to prevent fire from injuring us, damaging our property of those in Perquimans.

National Newspaper Week

National Newspaper Week will be observed for the tenth year this year, between October 1st and October 8th. The plan for the week was developed in 1940, with the original object of answering attacks and criticisms aimed at weakening the prestige and influence of newspapers.

Year after year, the place of a free press in a free society has been emphasized. It is just as well because people very easily take for granted the existence of a free press and the benefits of independence that the journalists of America enjoy.
 It is not expected that everybody will recognize the contribution that great newspapers make to areas in which they circulate. Nor is it even certain that newspaper men themselves will agree upon the virtues of any particular newspaper. Nevertheless, the over-all usefulness of newspaper-making has redounded greatly to the development of intelligent citizens and to the promotion of their just ambitions.

One of the features of Newspaper Week, observed every year, is a special day set aside as National Newspaper Boy Day. This year, it occurs on October 8th. Subscribers to newspapers who are served by carrier boys are urged to appreciate the earnest efforts of thousands of carrier boys who serve the readers of thousands of daily newspapers throughout the land.

Many of the great citizens of the nation look back upon the years of

service as carrier boys. The business experience, the training and the contact with human beings proved valuable to them in later life. This observation should remind those who deal with the carrier boys that the youngsters are adept judges of human nature and readily respond to the consideration that one should naturally pay to a youngster.

BURGESS HOME DEMONSTRATION CLUB MEETS

The Burgess Home Demonstration Club met Wednesday afternoon with Mrs. Walton Lane.
 The meeting was called to order by the president, and "Love's Old Sweet Song" was sung.
 Mrs. Lane read the First Psalm and Mrs. J. R. Ayscue lead in prayer, as the devotional.
 Minutes of the July and August meetings were read and approved. The roll was called, donations to local treasury made. Acknowledgement cards for flowers and a letter from Mrs. Aulford were read by the secretary.

The family life leader gave an interesting sketch on the Art of Staying Young.

Mrs. White gave an interesting demonstration on care of house plants. Mrs. Lane conducted a plant naming contest with Mrs. Josiah Proctor winning the prize.

Those present were Mrs. H. S. Javenport, Mrs. Howard Mathews, Mrs. Tommie Mathews, Mrs. Irwin Whedbee, Mrs. V. L. Proctor, Mrs. Winston Lane, Mrs. Josiah Proctor, Mrs. J. B. Basnight, Mrs. Walton Lane, Mrs. Nina Braswell White and Mrs. Sidney Layden.

The hostess served cookies, potato chips and nuts with bottled drinks.

When Your Back Hurts - And Your Strength and Energy Is Below Par
 It may be caused by disorder of kidney function that permits poisonous waste to accumulate. For truly many people feel tired, weak and miserable when the kidneys fail to remove excess acids and other waste matter from the blood.
 You may suffer nagging backache, rheumatic pains, headaches, dizziness, getting up nights, leg pains, swelling. Sometimes frequent and scanty urination with smarting and burning is another sign that something is wrong with the kidneys or bladder.
 There should be no doubt that prompt treatment is wiser than neglect. Use Doan's Pills. It is better to rely on a medicine that has won countrywide approval than on something less favorably known. Doan's have been tried and tested many years. Are at all drug stores. Get Doan's today.
