THIS WEEK'S HEADLINES

The United States broke diplomatic relations with Bulgaria this week, following long weeks of tension between the two nations. In announcing the break a United States note said that Bulgaria was not a fit member of the family of nations. A report stated that the break between the two nations followed a Bulgarian charge that U. S. officials used its legation as a spy center.

Reports from Washington on Wednesday stated that little progress was being made toward negotiating a contract between coal operators and miners. Meanwhile, miners over the nation have refused to work until a contract has been signed. The U. S. coal pile has been dwindling and industry is expected to suffer severely unless the mines are again placed in operation immediately. The nation has only a few more days coal supply and it is estimated that several days will be needed for coal to start moving to supply centers after the miners return to work.

News from Raleigh this week indicated that Willis Smith, prominent attorney and formerly of Elizabeth City, may enter the political race for the U. S. Senate against Senator Frank Graham. Smith is reported to have stated he will make a decision on the matter this week. Meanwhile, Senator Graham launched his campaign for election by opening headquarters in Raleigh on Tuesday.

Plans Completed To Open Red Cross Drive In County On Monday

Quota Set At \$1,395 By Chapter Officials In Meeting Here

Plans were completed this week by officers of the Perquimans Chapter of the American Red Cross for the annual Roll Call for members which will get underway here on Monday with solicitations being made in the announced by Henry C. Stokes, Jr., chairman of the campaign. Canvassing of residential districts will start on March 1.

Drive plans call for Mr. Stokes and Robert Elliott to head up the committee in charge of soliciting the business district, while Mrs. Julian A. White will serve as chairman of the house to house canvassers in Hertford. Mrs. Nina B. White, County Home Agent, will direct the canvass in rural communities, W. C. Stroud and Minnie B. Taylor will serve as co-chairmen for the Colored division.

"Efforts will be made to conduct a short concentrated campaign which will result in obtaining our quota within a reasonable time," Mr. Stokes said.

The quota assigned Perquimans County is \$1,395, about half of this amount will be turned over to the National Headquarters while the remainder is retained in the local treasury for expenses of the county chapter.

During the past year the Perquimans Chapter carried out a number of local projects, including the swimming classes at Harvey Point, and these somewhat depleted the surplus in the chapter treasury. Thus the quota for this year's campaign is slightly higher than for the campaign last year.

Individuals are urged to give whole-hearted support to the Red Cross drive and help Perquimans achieve its quota. Mr. Stokes stated that it is quite possible that solicitors may fail to contact every individual in the county during the campaign but he added that those missed by solicitors may contribute to the fund by mailing contributions direct to the Red Cross chairman or leaving the contribution at the Post Office in Hertford.

Perquimans held a 19-10 edge at the first period and jumped this to a 28-10 advantage at half time. The local girls coasted to victory during the second half.

Coach Ellie Pearing's Indians had an off night with their shooting and were unable to keep abreast of the fast driving boys from Creswell. The Tyrrell County boys took a nine-three lead in the first period and led 20-8 at half time. Perquimans outscored Creswell during the last half but the lead maintained during the first half was sufficient for the visitors to capture the victory.
