

Bond Payment Reduces Town's Indebtedness

The Town of Hertford today paid \$11,000 on its bonded indebtedness, thus reducing the outstanding indebtedness to \$80,000, it was revealed by W. G. Newby, Town Clerk. Mr. Newby said that originally the indebtedness totalled \$225,000.

He added that on June 15, 1915, the town issued bonds in the amount of \$50,000 for purchase of water and light plants at an interest rate of five per cent and the first due date of principal was in 1945, \$10,000 of which was paid and this second installment leaves this debt at \$30,000. Interest on this debt, Mr. Newby said, has amounted to \$75,000 or one and one-half times more than the principal borrowed.

Mr. Newby said he desired to give the details of this indebtedness so that the generation which was unborn at the time of the transaction may know something about the financial position of the town.

Auxiliary To Hold Poppy Sale Saturday

The American Legion Auxiliary will sell poppies on Saturday, May 27th throughout Perquimans County and will be assisted in the sale by members of the troop of Girl Scouts. Mrs. Lessie E. White, poppy chairman, urges everyone to buy a poppy.

The poppies were made by veterans in Fayetteville hospital, and are memorials to the war dead and a symbol of hope to the living.

Volunteers who sell the poppies are asked to be at the Court House by five o'clock as there will be a party for those selling poppies and making poppy posters. The party will be at the home of Mrs. Edna Webb.

Mrs. White stated that there is no set price for the poppies, but individuals buying them are asked to contribute generously as the money raised throughout this sale is used for veteran and veterans' families.
