

**MEETING HELD**

The young people's class meeting of the Berea Church of Christ was held on August 1, 1960, at the home of Miss Peggy Stokely.

The meeting opened with the singing of "Stepping in the Light," after which Edmond Skinner read the scripture followed by the group repeating the Lord's Prayer. The roll was called and minutes were read by the secretary, Mollie Lu Yeates.

For our closing hymn, "I Must Tell Jesus" was sung. Benediction was by Mrs. Whit Cartwright.

The hostess served delicious drinks and cookies.

**Imagine Driving Without It**

Driving a car without a license is like operating a business without a license—strictly illegal.

To get a license to drive you must show that you know the safety rules of the road... and must have a satisfactory driving record free from arrests for serious traffic violations.

And, by the same token, to obtain a license in the beer industry a retailer must meet a number of strict qualifications. He must be financially responsible. He must not only have a "clean" record for obeying the law but must keep his record clean. If he does not maintain a clean, orderly establishment, or if he allows unfitness or sells to minors, he is violating the law. And his license is revoked accordingly.

Working with other police officers, the Malt Beverage Division of the North Carolina ABC Board carefully checks all retail beer outlets for any violation of the law. The beer industry is in hearty accord with this enforcement program... which helps the industry keep its best foot forward at all times in your community.
