He has increased his herd of beef catto increase the fertility of the soil.

J. A. Sutton had the Soil Conservation Service Technicians run a survey on a lead ditch that he is planning to have cut.

Soil Samples were taken recently for A. T. Lane, Moody Harrell, J. A. Bray, Moses Boyce, Preston Nixon, Garland Eure and Woodrow Stallings.

Dr. W. L. Nelson, Director of the Soil Testing Division, N. C. Department of Agriculture, urges farmers to take their soil samples this fall lowing approved practices. That is rather than waiting until the first of the yield one Bertie County Negro the year. Dr. Nelson states that farmer, Charlie Hardy of Roxobel, re-"Samples taken during the next few ceived from his cotton acreage this weeks will permit a rapid reply. The farmer who sends his samples in this fall will then be sure of receiving the results of the soil tests and recommendations in plenty of time to obtain the amount of lime and the analysis of fertilizer his soil needs."
