For Worldwide Bible Reading

From Thanksgiving to Christmas

Millions of people in America and throughout the world will be reading the same verses from the Bible in the period from Thanksgiving to Christmas. This program of Worldwide Bible Reading was started by the American Bible Society during World War II and has grown in the years since.

The readings selected by poll for this year follow. The theme is "The Bible A Light and Guide". To find help in the reading a person is asked to read regularly, thoughtfully, without hurry, prayerfully and obediently, and to copy out a key verse daily and carry it for helpful reference throughout the day.

Bankers Announce Subject For Contest

Joseph H. Wolfe, executive secretary of the North Carolina Bankers Association, has announced that "Green Pastures, Their Place in the Economy of North Carolina," will be the general subject for the 1951 Agricultural Speaking Contest for high school students in North Carolina.

For the sixth year the contest will be sponsored by the N. C. Bankers Association in cooperation with N. C. State College and local agricultural groups. A separate contest is being sponsored by the N. C. Bankers Association for Negro high school students, plans for which will be announced soon.

All white students in North Carolina's 683 high schools, in grades 9 to 12, are eligible to participate. Each must write his own speech, but may receive informational help from any source. A kit of subject material will be made available to all high schools, through the county agent's office.

Maximum time permitted for each speech is 12 minutes. General organization and content will count 50 points, and elements of delivery will count 50. The latter includes correct English, 15 points; ease and poise before audience, 15; gestures, 10 and voice, 10.

April 6, 1951, is the date for the State finals in Raleigh.

Mr. Dan Goldsmith, 3024 Curron Road, Louisville, Ky., owner of Coogla Cut Rate Store at 935 West Broadway, says there just aren't enough words in the English language to praise HADACOL correctly. He says he knows most folks don't realize what a change HADACOL can make in their life if their systems are deficient in Vitamins B, B₂, Iron and Nicotia.

Here is Mr. Goldsmith's statement: "Before I started taking HADACOL I was run down and nervous—and had a hard time sleeping nights. With my work in the store I have to spend sometimes 14 hours a day on my feet. Since I am in the retail business I saw how many folks were asking for HADACOL so I decided to try it myself. After the first couple of bottles I could tell a definite improvement. Now I have all the pep and energy in the world, my nerves are steady as ever and I really do get a good night's rest. HADACOL is wonderful—I not only take it, but recommend it to all my customers. I praise the day Senator Dudley J. LeBlanc put HADACOL on the market."

HADACOL is So Different Thousands are benefiting from HADACOL... whose systems lack Vitamins B, B₂, Iron and Nicotin. HADACOL is so wonderful because HADACOL helps build up the hemoglobin content of your blood (when iron is needed) to carry these great Vitamins and Minerals to every body organ—to every part of the body.

Give remarkable HADACOL a chance and if you don't feel better with the first few bottles you take—you get your money back. Only \$1.25 for Trial Size; Large Family or Hospital Size, \$3.50. If your druggist does not have HADACOL, order it direct from The LeBlanc Corporation, Lafayette, Louisiana. © 1950, The LeBlanc Corporation.

S. Highway on the south, containing by estimation 80 acres more or less. For chain of title see deed book 30, page 194, Public Registry of Perquimans County, N. C.

A cash deposit of 5% will be required of the successful bidder. Dated and posted this 15th day of November, 1950.
