Check and Double Check

Put Colonial to the test. First, check the plainly-marked price and the quality of each and every item as you purchase it. Then, at home, double check by examining your cash register receipts that total the cost of ALL purchases for the week. See for yourself—Colonial's hundreds upon hundreds of low-priced items PLUS many deep-cut "bonus buys" effective for one entire week—Thursday through Wednesday—(instead of only a few week-end "specials") add up to the lowest possible food bill.
