

Indians Trounce Yellow Jackets 13-1

Perquimans Indians made it two in a row over the Elizabeth City high school baseball team, for this season, when the Indians trounced the Jackets 13-1 in a contest played here Monday night.

The Indians, playing excellent ball, behind the pitching of Billy Benton, collected 14 hits off three Jacket pitchers, were given 12 walks and collected 13 runs. Benton struck out 11 Jacket batters, walked four and held the visitors scoreless through eight innings. The Jackets got four hits and were issued seven walks, three in the ninth inning when they scored their lone tally.

Coach Fearing installed an entire new team on the field in the ninth, after the Indians had gained a 13-0 lead.

GET RID OF MICE AND RATS!

Amazing New HOPKINS WARFARIN Exterminates Safely, Quickly, Cheaply!

Now, thanks to the amazing new discovery, Warfarin, you can rid your premises of troublesome mice and destructive, disease-carrying rats effectively and economically!

Costs Only About 1c Per Mouse or Rat Killed!

HOPKINS WARFARIN is so effective that the cost of using is only about 1c per rat killed. Only a small amount of this wonderful rodenticide is needed to exterminate the average rat colony.

Odorless, Tasteless HOPKINS WARFARIN Does Not Develop "Bait Shyness"—Kills Without Suffering or Pain!

Because it acts slowly, produces a gentle death, mice and rats

do not associate the deaths of their fellow animals with the bait—continue to eat until they, too, are fatally stricken. This enables entire rat colonies to be completely exterminated.

Safer to Livestock, Pets and Humans!

HOPKINS WARFARIN has to be eaten for several days to be fatal, and because of the manner of baiting there is little danger of the bait being exposed to livestock, pets or children.

HOPKINS BIDI-MEK Warfarin Most Attractive to Rats!

5,000 field cases showed that coarse ground whole yellow corn is the bait best liked by mice and rats, and that is the only other ingredient used in HOPKINS BIDI-MEK Warfarin.
