

Wedding Ceremony
Young Woman Sunday
 In a candlelight ceremony at 8:30 p.m. at the Methodist church at Rocky Hill, Miss. The bride, Miss Marie Harrell, daughter of Mr. and Mrs. W. H. Harrell of Edenton, was united in marriage to Mr. Clyde Jenkins, son of Mr. and Mrs. W. H. Harrell of Edenton, by Rev. Charles Dunning of Hartford officiating at the double ring ceremony.

The vows were spoken over the Rev. Charles Dunning of Hartford officiating at the double ring ceremony. Prior to the ceremony, Miss Marie Harrell, daughter of Mr. and Mrs. W. H. Harrell of Edenton, was united in marriage to Mr. Clyde Jenkins, son of Mr. and Mrs. W. H. Harrell of Edenton, by Rev. Charles Dunning of Hartford officiating at the double ring ceremony.

The bride entered the church with her uncle, Louis Harrell, by whom she was given in marriage. Her wedding gown was of white French imported organza over tulle, fashioned with high neckline and scalloped yoke. The long sleeves tapered into wedding peaks over the hands. The snug basque bodice buttoned up the back with tiny self-covered buttons. The full gathered skirt sweeping into court train, accented the slim waistline. Her fingertip veil of delicate illusion was arranged from a lace bonnet, and she carried a prayer book topped with white orchid, and showered with lily of the valley.

Miss Arlene Harrell, sister of the bride, was maid of honor. She wore a gown of imported organza over white tulle, styled with scalloped yoke. The bouffant skirt accented the taut bodice and she wore a half bonnet to match her gown, and long organza mitts. She carried a nosegay, colonial style, of summer mixed flowers.

Mrs. Clyde Jenkins, sister of the groom, was matron of honor. Her gown was identical to the maid of honor with half bonnet to match gown and long organza mitts. She carried a nosegay, colonial style, of summer mixed flowers.

The honorary bridesmaids were Mrs. Carroll Perry of Tyson, Miss George Winslow of Hartford, Mrs. Robert Evans of Edenton, Mrs. Lennie Harrell of Elizabeth City, Miss Marguerite Nixon, Miss Frances Bunch, Miss Norma Harrell, Miss Janice Harrell, sister of bride, all of Edenton. They wore gowns similar to honor attendants in pastel shades of organza. They used miniature nosegays in summer mixed flowers.

Mrs. O. C. Long, Jr., was mistress of ceremony.

The bridegroom had as best man Freeland Copeland.

Ushers were Parker Copeland, brother of the bridegroom, Clyde Jenkins Potecasi, Joel Hollowell, Hertford, and Aubrey Harrell of Edenton.

Mrs. Harrell, mother of the bride, wore a pink nylon sheer dress with

Destroyer On Display
For July 4th Holiday
 The United States Ship Vogelgesang (DD662), one of the very latest 2200-ton type destroyers employed by the United States Navy, will be docked at the Morehead City Docks, July 4, to participate in that city's Independence Day program.

Comparatively new, the 390 foot vessel will display her "wares of war" to the general public between the hours of 9:00 a. m. to 11:00 and 1:00 p. m. to 4:00 p. m. on July 4.

Chevrolet Dealer To Hold Special Car Demonstration
 If you want to drive a Powerglide Chevrolet, see the convenience of the Hollowell Chevrolet Company from June 18 to 30.

Hollowell Chevrolet Company has set aside special demonstrations for use of the public and the public will be invited to bring as many people as possible to ride in the cars.

Because of the customer demand for Powerglide transmissions in this area, Robert H. Hollowell, explains, he has been unable to set aside demonstrators. However, he will hold cars solely for this purpose through the demonstration period.

"Chevrolet has just built its 500,000th Powerglide and to observe the milestones it has requested all dealers to cooperate in mass demonstrations," he declared.

Mr. Hollowell pointed out that Powerglide differs from other automatic transmissions on the market in that it represents a "package" improvement. Included, besides the revolutionary automatic shift, are a more powerful engine of 105 horsepower and an "Economiser" rear axle.

"The opportunity for mass demonstrations here will show what owners have learned in more than a billion miles of driving," Mr. Hollowell declared. "Even a brief trial will prove that Powerglide-equipped cars are easier and more restful to drive."

Ever since we know that movie makers pay hundreds of thousands of dollars for the screen rights to a novel we have had a yen to write a novel.

Watch For COMMUNITY CALENDAR
